## TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Assignment") is effective as of September 28, 2022, by and among Virginia Vein Care, LLC, a Virginia limited liability company ("VVC"), Lawrence J. Markovitz, M.D., LLC, a Maryland limited liability company (d/b/a Virginia Vein Care) ("LJM", together with VVC, the "Assignors", and each, an "Assignor"), and CVR Management, LLC, a Delaware limited liability company (the "Assignee").

This Agreement is made and delivered pursuant to, and subject to the terms of, that certain Asset Purchase Agreement, dated as of the date hereof (the "Purchase Agreement"), by and among the Assignors, Assignee and the other parties thereto, pursuant to which Assignor has agreed to sell to Assignee and Assignee has agreed to purchase from Assignor certain assets, including without limitation the trademarks and service marks set forth on Schedule A, attached hereto, including without limitation all registrations, applications to register, common law trademark rights and goodwill associated with any of the foregoing (collectively, the "Assigned Marks"). Capitalized terms not otherwise defined herein shall have the meanings assigned to them in the Purchase Agreement.

NOW, THEREFORE, in consideration of the mutual covenants set forth in the Purchase Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee hereby agree as follows:

1. Assignment. Each Assignor hereby irrevocably and unconditionally grants, conveys, transfers, and assigns to Assignee all of such Assignor's right, title, and interest in and to the Assigned Marks, including without limitation the registered trademarks set forth on Schedule A and all rights to income, royalties, and license fees deriving from the Assigned Marks, all claims for damages by reason of past, present and future infringements and dilution of the Assigned Marks or injury to the goodwill associated with the Assigned Marks, and the right to sue for and collect such damages, as permitted under the applicable laws for any jurisdiction or country in which such claims may be asserted for the use and benefit of Assignee and its successors, assigns and other legal representatives (all of the foregoing, collectively, the "Assigned IP"); all of the foregoing, the same to be held by Assignee for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns and other legal representatives, as fully and entirely as the same would have been held and enjoyed by such Assignor if this Assignment had not been made.

2. Assistance. Each Assignor agrees to perform, at Assignee's expense (except arising out of a breach of the Purchase Agreement), all acts deemed necessary or desirable by Assignee to permit and assist Assignee in perfecting and enforcing the full benefits, enjoyment, rights, title and interest throughout the world in the Assigned IP, and the intellectual property rights therein assigned to Assignee hereunder. In the event Assignee is unable for any reason, after reasonable effort, to secure either Assignor's signature on any document needed in connection with the actions specified in this Section 2, each Assignor hereby irrevocably designates and appoints Assignee and its duly authorized officers and agents as such Assignor's agent and attorney-in-fact, which appointment is coupled with an interest, to act for and on such Assignor's behalf to execute, verify and file any such documents and to do all other lawfully permitted acts to further the purposes of this Section 2 with the same legal force and effect as if executed by such Assignor.

3. Miscellaneous. The provisions of Sections 8.1, 8.2, 8.3, 8.4, 8.5, 8.6, 8.7, 8.8, 8.9, 8.10, 8.11, 8.12, 8.13, 8.14, 8.15, 8.16, 8.17 and 8.18 of the Purchase Agreement are incorporated by reference herein, *mutatis mutandis*.

\* \* \* \*

IN WITNESS WHEREOF, the parties hereto have caused this Assignment to be duly executed as of the day and year first written above.
