TRADEMARK RELEASE AND ASSIGNMENT

THIS TRADEMARK RELEASE AND ASSIGNMENT, is made as of October 7, 2022, by BMO HARRIS BANK N.A., in its capacity as Administrative Agent (together with its successors and assigns in such capacity, "Grantee") for the secured parties referenced in the Security Agreement (as defined below) (the "Secured Parties"). Capitalized terms used but not defined herein shall have the same meanings assigned to such terms in the Trademark Security Agreement (as defined below).

WITNESSETH:

WHEREAS, pursuant to the Security Agreement, dated as of June 15, 2018, by and among the Obligors party thereto and Grantee (as amended, modified, extended, restated, replaced, or supplemented from time to time, the "Security Agreement"), WESCO GROUP, LLC, a Washington limited liability company ("Grantor"), granted a continuing security interest in and continuing lien upon the trademarks and trademark applications shown on Schedule 1 attached hereto (but excluding any "intent to use" Trademark applications for which a statement of use has not been filed, but only such statement is filed) (the "Trademarks") to Grantee for the ratable benefit of the Secured Parties;

WHEREAS, in connection with the Security Agreement, Grantor and Grantee were parties to that certain Notice of Grant of Security Interest in Trademarks (the "Trademark Security Agreement"), pursuant to which Grantor granted, and acknowledged having granted under the Security Agreement, a continuing security interest in, and right to set off against, any and all right, title and interest of Grantor in and to the Trademarks to Grantee for the ratable benefit of the Secured Parties;

WHEREAS, the Trademark Security Agreement was recorded by the Trademark Division of the United States Patent and Trademark Office on June 15, 2018 at Reel 6354, Frame 0303; and

WHEREAS, Grantor has requested that Grantee release, discharge, terminate and cancel all of its security interests and liens in, to and under the Trademarks, reassign any and all rights, title and interest in and to the same to Grantor and terminate the Trademark Security Agreement.

NOW THEREFORE, for good and valuable consideration, receipt and sufficiency of which are hereby acknowledged:

1. Grantee hereby irrevocably releases, discharges, terminates and cancels any and all of its security interests and liens in, to and under the Trademarks.
2. Grantee hereby irrevocably assigns, grants and conveys back to Grantor, without any representation or warranty of any kind by Grantee, any and all of Grantee's right, title and interest in and to the Trademarks.
3. Grantee hereby irrevocably terminates and cancels the Trademark Security Agreement.
4. Grantee hereby authorizes the recordation of this Trademark Release and Assignment with the Trademark Division of the United States Patent and Trademark Office. Grantee agrees to take all further actions, and provide to Grantor and its successors, assigns or other legal representatives, all such cooperation and assistance (including, without limitation, the execution and delivery of any and all documents or other instruments), reasonably requested by Grantor, at Grantor's sole cost and expense, to more fully and effectively effectuate the purposes of this Trademark Release and Assignment.

5. This Trademark Release and Assignment may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Trademark Release and Assignment by facsimile or other electronic imaging (including in .pdf format) means shall be effective as delivery of a manually executed counterpart of this Trademark Release and Assignment. This Trademark Release and Assignment may be in the form of an Electronic Record (as defined in 15 USC §7006, as it may be amended from time to time) and may be executed using Electronic Signatures (as defined in 15 USC §7006, as it may be amended from time to time) (including, without limitation, facsimile and .pdf) and shall be considered an original, and shall have the same legal effect, validity and enforceability as a paper record. For the avoidance of doubt, the authorization under this paragraph may include, without limitation, use or acceptance by the parties hereto of a manually signed paper counterpart to this Trademark Release and Assignment which has been converted into electronic form (such as scanned into PDF format), or an electronically signed counterpart to this Trademark Release and Assignment converted into another format, for transmission, delivery and/or retention.
