## INTELLECTUAL PROPERTY SECURITY AGREEMENT

**THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT** is entered into as of October 14, 2022, by and among **SPATIAL NETWORKS, INC.**, a Delaware corporation (“**Borrower**”), and **RCP ADVISORS 2, LLC**, as investment manager and agent for Lender (as defined in the Credit Agreement) (“**Investment Manager**”).

### RECITALS

**WHEREAS**, Borrower, Lender and Investment Manager entered into a certain Credit Agreement of even date herewith (as amended, restated, supplemented or otherwise modified from time to time, the “**Credit Agreement**”) pursuant to which Lender has agreed to lend to Borrower up to Twelve Million Five Hundred Thousand Dollars (\$12,500,000) to be evidenced by Borrower’s issuance to Lender of a secured promissory note. As a condition of the loan, Lender required that Borrower grant to Investment Manager, for the benefit of Lender a security interest in certain copyrights, trademarks and patents to secure the Obligations (as defined in the Credit Agreement).

**WHEREAS**, pursuant to the terms of the Security Agreement (as defined in the Credit Agreement), Borrower has granted to Investment Manager a security interest in all of Borrower’s right, title and interest, whether presently existing or hereafter acquired, in, to and under all of the Collateral (as defined in the Security Agreement).

**NOW, THEREFORE**, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, as collateral security for the prompt and complete payment when due of the Obligations, Borrower hereby represents, warrants, covenants and agrees as follows:

### AGREEMENT

To secure the Obligations, Borrower grants and pledges to Investment Manager, as agent for the benefit of Investment Manager and Lender, a security interest in all of Borrower’s right, title and interest in, to and under its Intellectual Property (as defined in the Credit Agreement), including without limitation those copyrights, patents and trademarks listed on Exhibits A, B and C hereto, and including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all re-issues, divisions, continuations, renewals, extensions and continuations-in-part thereof (the “**IP Collateral**”). Notwithstanding the foregoing, in no event shall the IP Collateral include any lease, license, contract, property rights or agreement to which Borrower is a party or any of its rights or interest thereunder if and for so long as the grant of such security interest shall constitute or result in a breach or termination pursuant to the terms of, or a default under, any such lease, license, contract, property rights (or agreements governing such property rights) or agreement (other than to the extent that any such term would be rendered ineffective pursuant to Sections 9-406, 9-407, 9-408 or 9-409 of the UCC (or any successor provision or provisions of any relevant jurisdiction or any other applicable law), provided however that the Collateral shall include and such security interest shall attach, immediately at such time as such restriction

causing such breach, termination or default shall be remedied and to the extent severable, shall attach immediately to any portion of such lease, license, contract, property rights or agreement that does not result in any of the consequences specified above.

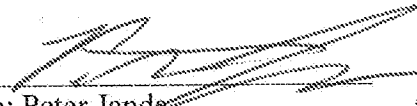

The security interest granted hereby is in conjunction with the security interest granted to Investment Manager under the Security Agreement. The rights and remedies of Investment Manager and Lender with respect to the security interest granted hereby are in addition to those set forth in the Security Agreement and the other Loan Documents (as defined in the Credit Agreement), and those which are now or hereafter available to Investment Manager and Lender as a matter of law or equity. Each right, power and remedy of Investment Manager and Lender provided for herein or in the Security Agreement or any of the Loan Documents, or now or hereafter existing at law or in equity shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein and the exercise by Investment Manager or Lender of any one or more of the rights, powers or remedies provided for in this Intellectual Property Security Agreement, the Security Agreement or any of the other Loan Documents, or now or hereafter existing at law or in equity, shall not preclude the simultaneous or later exercise by any person, including Investment Manager and Lender, of any or all other rights, powers or remedies.

Borrower represents and warrants that Exhibits A, B, and C attached hereto set forth any and all Intellectual Property rights in connection with which Borrower has registered or filed an application with either the United States Patent and Trademark Office or the United States Copyright Office, as applicable (other than any that have been abandoned).
