## TRADEMARK SECURITY AGREEMENT

This **TRADEMARK SECURITY AGREEMENT** (this “**Agreement**”), dated as of September 27, 2022, is made by the Grantors (as identified below), in favor of FORIS VENTURES, LLC, as the Lender (in such capacity, together with its successors and assigns, the “**Lender**”).

**WHEREAS**, AMYRIS, INC., a Delaware corporation, AMYRIS CLEAN BEAUTY, INC., a Delaware corporation, AMYRIS FUELS, LLC, a Delaware limited liability company, and AB TECHNOLOGIES LLC, a Delaware limited liability company (each a “**Grantor**”, and collectively, the “**Grantors**”), owns the Trademark Collateral (as defined below); and

**WHEREAS**, each Grantor is party to that certain Security Agreement dated as of September 27, 2022 (the “**Security Agreement**”), by and among the Grantor, the other grantors party thereto and the Lender, pursuant to which the Grantors granted a security interest to the Lender in the Trademark Collateral and are required to execute and deliver this Agreement.

Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

**NOW, THEREFORE**, in consideration of the foregoing and for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, subject to the terms and conditions of the Security Agreement, to evidence further the security interest granted by each Grantor to the Lender pursuant to the Security Agreement, each Grantor hereby grants to the Lender a security interest in all of Grantor’s right, title and interest in and to the following, in each case whether now owned or existing or hereafter acquired, developed, created or arising and wherever located (collectively, the “**Trademark Collateral**”):

(i) all trademarks, service marks, designs, logos, indicia of origin, trade names, trade dress, corporate names, company names, business names, fictitious business names, domain names, trade styles and/or other source and/or business identifiers and applications pertaining thereto, owned by such a Grantor, or hereafter adopted and used, in its business (including, without limitation, the trademarks set forth on Schedule A annexed hereto) (collectively, the “**Trademarks**”);

(ii) all goodwill of such Grantor’s business symbolized by the Trademarks associated therewith;

(iii) all proceeds, products, rents and profits of or from any and all of the foregoing Trademark Collateral and, to the extent not otherwise included, all payments under insurance (whether or not the Lender is the loss payee thereof), or any indemnity, warranty or guaranty, payable by reason of loss or damage to or otherwise with respect to any of the foregoing Trademark Collateral; and

(iv) the right to sue or otherwise recover for any past, present and future infringement, dilution, misappropriation, or other violation or impairment of any of the foregoing.

Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include or the security interest granted under Section 1(a) of the Security Agreement attach to any “intent-to-use” application for registration of a Trademark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, prior to the filing of a “Statement of Use” pursuant to Section 1(d) of the Lanham Act or an “Amendment to Allege Use” pursuant to Section 1(c) of the Lanham Act with respect thereto, solely to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law.

Each Grantor does hereby further acknowledge and affirm that the rights and remedies of the Lender with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement. All of the terms of the Security Agreement are hereby incorporated by reference. In the event that any provision of this Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER AND ALL CLAIMS AND CONTROVERSIES ARISING OUT OF THE SUBJECT MATTER HEREOF WHETHER SOUNDING IN CONTRACT LAW, TORT LAW OR OTHERWISE, SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF CALIFORNIA, WITHOUT REGARD TO CONFLICTS OF LAW PROVISIONS THAT WOULD RESULT IN THE APPLICATION OF ANY OTHER LAW (OTHER THAN ANY MANDATORY PROVISIONS OF LAW RELATING TO THE LAW GOVERNING PERFECTION AND THE EFFECT OF PERFECTION OF THE SECURITY INTEREST).

This Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument. Delivery of an executed signature page to this Agreement by facsimile transmission or electronic PDF delivery shall be as effective as delivery of a manually signed counterpart of this Agreement. This Agreement constitutes a "Loan Document" under and as defined in the Loan Agreement and is subject to the terms and provisions therein regarding Loan Documents.

[The remainder of this page is intentionally left blank.]

**IN WITNESS WHEREOF**, Grantor has caused this Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
