**TRADEMARK ASSIGNMENT AGREEMENT**

This TRADEMARK ASSIGNMENT AGREEMENT ("**Trademark Assignment**"), dated as of July 1, 2022, is made by Sensata Technologies, Inc., a Delaware corporation ("**Seller**"), in favor of LTI Holdings, Inc., a Delaware corporation ("**Buyer**"), the purchaser of certain assets of Seller pursuant to an Asset Purchase Agreement, dated as of May 27, 2022 (the "**Asset Purchase Agreement**").

WHEREAS, Seller is the owner of the trademark registrations identified in the attached Schedule 1 (the "**Trademarks**");

WHEREAS, under the terms of the Asset Purchase Agreement, Seller agreed to sell, transfer, and assign to Buyer and Buyer has agreed to purchase and assume from Seller certain specified assets, including the Trademarks.

NOW THEREFORE, in accordance with the Asset Purchase Agreement and in consideration of the promises and of the mutual covenants and agreements contained herein and therein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Seller and Buyer, intending to be legally bound, hereby agree as follows:

1. Assignment. As of the Effective Date, Seller hereby assigns, transfers and delivers to Buyer, irrevocably and exclusively throughout the world, and Buyer does hereby accept from Seller, all of Seller's right, title and interest in and to the Trademarks, including all goodwill associated therewith and symbolized thereby, all remedies against infringements thereof, and all claims, causes of action, rights of recovery and rights of set-off of any kind, all damages and payments for past, present and future infringement, dilution or misappropriation of such Trademarks, and the right to sue and recover for past, present and future infringements, dilutions or misappropriations of such Trademarks, and any and all corresponding rights that have been, now or hereafter may be secured throughout the world with respect to such Trademarks. The Trademarks are being assigned as part of the entire business or portion thereof to which the Trademarks pertain, as required by Section 10 of the Trademark Act, 15 U.S.C. § 1060.

2. Recordation and Further Actions. Seller hereby authorizes the Commissioner of Trademarks in the United States Patent and Trademark Office and the corresponding entities or agencies in any applicable foreign countries or multinational authorities, to record Buyer as the Buyer of all of Seller's right, title and interest in, to and under the Trademarks and to deliver to Buyer, and to Buyer's attorneys, agents, successors or assigns, all official documents and communications. Buyer Seller shall, from time to time, at the request of Buyer, execute and deliver such other instruments of conveyance and transfer (including powers of attorney) as are reasonably required by Buyer or its successors and assigns to effect, register or maintain the Trademarks.

3. Terms of the Asset Purchase Agreement. The parties hereto acknowledge and agree that this Trademark Assignment is entered into pursuant to the Asset Purchase Agreement, to which reference is made for a further statement of the rights and obligations of Seller and Buyer with respect to the Assigned Trademark. The representations, warranties, covenants, agreements, and indemnities contained in the Asset Purchase Agreement shall not be superseded

hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Asset Purchase Agreement and the terms hereof, the terms of the Asset Purchase Agreement shall govern.

4. Counterparts. This Trademark Assignment may be executed in two or more counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which together shall constitute one and the same instrument. The exchange of signature pages to this Agreement (in counterparts or otherwise) by electronic mail transmission, .pdf scan or other electronic transmission (including via www.docuSign.com) shall be sufficient to bind the parties to the terms and conditions of this Agreement.

5. Successors and Assigns. This Trademark Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

6. Governing Law. This Trademark Assignment and all claims or causes of action based upon, arising out of, or related to this Trademark Assignment and the transactions contemplated hereby shall be governed by, and construed in accordance with, the laws of the United States and the State of Delaware, without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction).

7. Headings; Construction. The headings of the articles, sections and paragraphs of this Trademark Assignment have been inserted for convenience of reference only and shall not be deemed to be part of this Trademark Assignment.

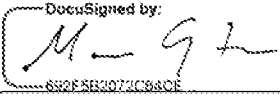

8. Severability. Whenever possible, each provision of this Trademark Assignment shall be interpreted in such a manner as to be effective and valid under applicable Law, but if any provision of this Trademark Assignment shall be deemed prohibited or invalid under such applicable Law, such provision shall be ineffective to the extent of such prohibition or invalidity, and such prohibition or invalidity shall not invalidate the remainder of such provision or the other provisions of this Trademark Assignment.

9. Entire Agreement. This Trademark Assignment and the Exhibits attached hereto, together with the Asset Purchase Agreement, Transaction Documents and Confidentiality Agreement, constitute the full and entire understanding and agreement among the Buyer Parties and the Seller Parties with respect to the subject matters hereof and thereof, and any and all other written or oral agreements existing prior to or contemporaneously herewith are expressly superseded and canceled.
