SUPPLEMENT TO TRADEMARK SECURITY AGREEMENT

Supplement to Trademark Security Agreement, dated as of October 18, 2022 (this “Supplement”), by Stellar Manufacturing, LLC, a Delaware limited liability company (the “Pledgor”), in favor of Bank of America, N.A., in its capacity as Collateral Agent pursuant to the Credit Agreement (in such capacity, the “Collateral Agent”), and U.S. Bank National Association, as Co-Collateral Agent (the “Co-Collateral Agent”, and together with the Collateral Agent, the “Collateral Agents”).

WITNESSETH:

WHEREAS, pursuant to that certain Assumption Agreement, dated as of the date hereof, the Pledgor became a party to that certain Guarantee and Collateral Agreement, dated as of October 16, 2012 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “ABL Collateral Agreement”), in favor of the Collateral Agents, pursuant to which the Pledgor is required to execute and deliver this Supplement.

NOW, THEREFORE, in consideration of the premises the Pledgor hereby agrees with the Collateral Agents as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the ABL Collateral Agreement and used herein have the meaning given to them in the ABL Collateral Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. The Pledgor hereby pledges and grants to the Collateral Agents, for the benefit of the Secured Parties, a lien on and security interest in and to all of its right, title and interest in, to and under all the following:

- (a) Trademarks owned by the Pledgor listed on Schedule I attached hereto;
- (b) all goodwill associated with such Trademarks; and
- (c) all proceeds of any and all of the foregoing (other than Excluded Assets).

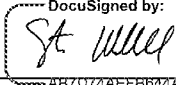

Notwithstanding the foregoing, there shall be no lien on or security interest granted or pledged by the Pledgors in any Trademark application that is filed on an “intent-to-use” basis until such time as a statement of use has been filed and accepted by the United States Patent and Trademark Office.

SECTION 3. Security Agreement. The security interest is hereby supplemented, effective as of the date hereof, by amending Schedule I to the Trademark Agreement to add each of the Trademarks listed on Schedule I of this Supplement, pursuant to this Supplement and is granted in conjunction with the security interest granted to the Collateral Agents pursuant to the ABL Collateral Agreement and the Trademark Agreement, and the Pledgor hereby acknowledges and affirms that the rights and remedies of the Trustee with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the ABL Collateral Agreement. In the event that any provision of this Supplement is deemed to conflict with the ABL Collateral Agreement, the provisions of the ABL Collateral Agreement shall control unless the Administrative Agent shall otherwise determine.

SECTION 4. Termination. Upon the full performance of the Obligations (other than any outstanding indemnification obligations), the Collateral Agents shall execute, acknowledge, and deliver to the Pledgor an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Trademarks under this Supplement.

IN WITNESS WHEREOF, the Pledgor has caused this Supplement to Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
