TRADEMARK ASSIGNMENT AGREEMENT

This Trademark Assignment Agreement ("Agreement") is made effective this 19th day of March, 2022 ("Effective Date") by and between Justus Meyer ("Assignor"), and DOOMLINGS, LLC ("Company"), a California Limited Liability Company, with offices at 1430 Nadeau Dr, Los Angeles, California 90019 (each, a "Party," and collectively, the "Parties").

WHEREAS, the Assignor applied for the trademark ("Mark") "DOOMLINGS," Serial Number 90266954; and

WHEREAS, the Assignor intends to assign to the Company the Mark and all rights, titles, and interests, in and to the Mark, including but not limited to any and all common law rights in and to the Mark, and any and all goodwill of the business related to the Mark.

NOW THEREFORE, in consideration of the mutual promises made herein, and for other good and valuable consideration, the receipt and sufficiency of which is acknowledged, the Parties agree to be bound as follows:

1 ASSIGNMENT GRANT

- 1.1 The Assignor hereby fully and irrevocably, throughout the world, in perpetuity, and fully paid, assigns and transfers to the Company, and the Company accepts, all of its rights, titles, and interests, in and to the Mark, and all goodwill of the business related to the Mark. The foregoing assignment of rights includes, without limitation, the right to sublicense and transfer the foregoing to the extent transferred and assigned under the Agreement.
- 1.2 The above assignment includes, without limitation, the right to sue and recover for any past or continuing rights infringements or contract breaches related to the Mark, the right to renew any registrations included in the Mark, the right to apply for trademark registrations or copyright registrations within or outside the United States based in whole or in part upon the Mark, and any priority right that may arise from the Mark, the same to be held and enjoyed by the Company as fully and entirely as said interest could have been held and enjoyed by the Assignor had this sale, assignment, transfer and conveyance not been made.

2 GENERAL

- 2.1 *Attorneys' Fees.* In the event of any action, suit, arbitration, or proceeding arising from or based on this Agreement or the subject matter hereof, the prevailing Party shall be entitled to recover from the other, in addition to any other award or recovery, its reasonable outside attorneys' fees and costs incurred in connection with any such action, suit, arbitration, or proceeding and in connection with the collection of any award or other enforcement of any decision, ruling, judgment, award, or settlement.
- 2.2 *Remedies.* Each Party's obligations set forth in this Agreement are necessary and reasonable in order to protect the Company and its business. Due to the unique nature of the Mark and the assignment of such to Company, monetary damages shall be inadequate to compensate the Company for any breach by the Assignor of its covenants and agreements set forth in this Agreement. Accordingly, the Parties each agree and acknowledge that any such violation or threatened violation may cause irreparable injury to the Company and, in addition to any other remedies that may be available, in law, in equity or otherwise, the Company shall be entitled to

STRICTLY CONFIDENTIAL

obtain injunctive relief against the threatened breach of this Agreement or the continuation of any such breach by the Assignor.

- 2.3 This Agreement represents the entire understanding between the parties, superseding all prior agreements between the Parties with respect to the subject matter contained herein. Each provision of this Agreement shall be interpreted as to be effective and valid under applicable law. Any provision of this Agreement held invalid or unenforceable shall be replaced by a valid or enforceable provision; and the remainder of the Agreement shall remain in full effect. No delay or failure to require performance of any provision of this Agreement shall constitute a waiver of that provision as to that or any other instance. This Agreement shall be binding upon and inure to the benefit of the Parties' respective assigns, successors, heirs, and legal representatives. This Agreement cannot be modified or amended, except by an instrument in writing signed by both Parties hereto. The Assignor may not assign this Agreement; the Company may freely assign this Agreement to any third party without prior approval from Assignor. This Agreement shall be exclusively governed by the laws of the State of New York and any dispute related to the Agreement shall be exclusively resolved in the state, federal, and/or administrative courts in the State of New York. This Agreement may be executed in counterparts, including electronic counterparts, each of which shall be deemed to be an original.
- 2.4 *Notices.* Any notice, demand or request required or permitted to be given under this Agreement shall be in writing and shall be deemed sufficient when delivered personally or by overnight courier or sent by email, or 48 hours after being deposited in the U.S. mail as certified or registered mail with postage prepaid, addressed to the Party to be notified at such Party's address as set forth in this Agreement.
- 2.5 *Construction.* This Agreement is the result of negotiations between and has been reviewed by each of the Parties hereto and their respective counsel, if any; accordingly, this Agreement shall be deemed to be the product of all of the Parties hereto, and no ambiguity shall be construed in favor of or against any one of the Parties hereto.
