(each, an “Assignee” and together, the “Assignees”). Capitalized terms used in this Release but not defined herein shall have the respective meanings ascribed to such terms in the Pledge and Security Agreement or the Trademark Security Agreement (each as defined below), as applicable.

WHEREAS, reference is made to (i) that certain Indenture, dated as of October 31, 2019 (as it may be amended, restated, replaced, supplemented or otherwise modified from time to time, the “Indenture”) by and among Camelot Finance S.A., a public limited liability company (*société anonyme*) organized and established under the laws of the Grand Duchy of Luxembourg, having its registered office at 14, rue Edward Steichen, L-2540 Luxembourg, and registered with the Luxembourg Trade and Companies Register under number B 208514 (the “Issuer”), the Guarantors party thereto and WILMINGTON TRUST, NATIONAL ASSOCIATION, in its capacity as trustee (in such capacity, the “Trustee”) and as collateral agent (in such capacity, the “Collateral Agent”), (ii) that certain Pledge and Security Agreement, dated as of October 31, 2019 (as it may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Pledge and Security Agreement”), between the grantors party thereto and the Assignor and (iii) that certain Trademark Security Agreement dated as of October 31, 2019, and recorded with the United States Patent and Trademark Office on November 1, 2019 at Reel/Frame 6785/0624, among the Assignees (as Grantors), the other Grantors party thereto and the Assignor (the “Trademark Security Agreement”);

WHEREAS, pursuant to the terms and conditions of the Trademark Security Agreement, the Assignees granted to the Assignor, for the benefit of the Notes Secured Parties, a security interest in and continuing Lien on all of the Assignees’ right, title and interest in, to and under the following, in each case whether then owned or thereafter acquired by the Assignees or in which the Assignees then had or thereafter acquired any right, title or interest and wherever the same may be located (collectively, the “Trademark Collateral”):

- (i) all U.S., State and foreign trademarks, trade names, trade dress corporate names, company names, business names, internet domain names, fictitious business names, trade styles, service marks, certification marks, collective marks, logos and other source or business identifiers, designs and general tangibles of a like nature, all registrations and recordings thereof, and all applications in connection therewith, whether in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or any other country or any political subdivision thereof, or otherwise, and all common-law rights related thereto, including, without limitation, any of the foregoing referred to in Schedule A of the Trademark Security Agreement, and all rights corresponding thereto throughout the world; (ii) all of the goodwill of the business connected with the use of and symbolized by the foregoing; (iii) all extensions and renewals of the foregoing; (iv) the right to sue or otherwise recover for any past, present

and future infringement, dilution, or other violation of any of the foregoing or for any injury to goodwill; (v) all Proceeds of the foregoing, including, without limitation, licenses, royalties, income, payments, claims, damages, and proceeds of suit now or hereafter due and/or payable with respect thereto; and (vi) all other rights of any kind accruing thereunder or pertaining thereto throughout the world, provided, that the Trademark Collateral shall not include any "intent-to-use" Trademark application prior to the filing of a "Statement of Use" or "Amendment to Allege Use" with respect thereto, to the extent, if any, that, and solely during the period, if any, in which the grant of a security interest therein would impair the validity or enforceability of such intent-to-use Trademark application under applicable federal law.

WHEREAS, pursuant to that certain Officer's Certificate dated as of October 31, 2022 (the "Certificate"), Andrew Wright certified to the Assignor that the Assignees sold the intellectual property set forth on Schedule I hereto (the "Specified Trademarks"), which sale has been consummated by the Assignees and the purchaser as of October 31, 2022, as provided in the Certificate; and

WHEREAS, the Assignor, solely in reliance on the representations, warranties and certifications made pursuant to the Certificate and without independent investigation, has agreed to terminate and release its security interest solely in the Specified Trademarks and Specified Trademark Collateral (as defined below) related thereto, all without recourse, representation or warranty of any kind by the Assignor.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor, on behalf of itself, its successors, legal representatives and assigns and any lenders for which the Assignor acted as security or collateral agent, hereby unconditionally terminates, releases, discharges and reassigns to the Assignees fully, without representation, warranty or recourse of any kind by the Assignor, its security interest in and continuing Lien on all of the Assignees' right, title and interest in, to and under (i) the Specified Trademarks, (ii) all extensions or renewals of any of the foregoing, (iii) all of the goodwill of the business connected with the use of and symbolized by any of the foregoing, (iv) the right to sue or otherwise recover for any past, present and future infringement, dilution or other violation of any of the foregoing or for any injury to the related goodwill, (v) all Proceeds of the foregoing, including, without limitation, license fees, royalties, income, payments, claims, damages and proceeds of suit then or thereafter due and/or payable with respect thereto (but excluding, for the avoidance of doubt, Proceeds from the sale by the Assignees of the Specified Trademarks as referenced in the Certificate), and (vi) all other rights of any kind accruing thereunder or pertaining thereto throughout the world (collectively, the "Specified Trademark Collateral").

The Assignor hereby authorizes the Assignees or the Assignees' authorized representatives to record this Release with the United States Patent and Trademark Office ("USPTO") and any other offices as may be necessary to carry out the intention of this Release, and to the extent applicable, the Assignor authorizes and requests that the USPTO record this Release. The Assignor shall execute and deliver any and all documents or other instruments prepared by or on behalf of the Assignees and reasonably requested by the Assignees, and at the Assignees' sole cost and expense, to more fully and effectively effectuate the purposes of this Release.

This Release and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the laws of the State of New York.

Delivery of an executed signature page to this Release by facsimile or electronic transmission (including .pdf file) shall be effective as delivery of an original signature.

For the avoidance of any doubt, this Release is strictly limited solely and only to the Specified Trademark Collateral and to no other Trademark Collateral. The Assignor continues to maintain, without interruption or impairment, its security interest in and Lien on all of the Assignees' right, title and interest in, to and under all Trademark Collateral other than the Specified Trademark Collateral. The provisions of the Trademark Security Agreement and the Pledge and Security Agreement shall, except as modified by this Release, continue in full force and effect.

**THIS RELEASE AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES
HEREUNDER SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND
ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK
WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES THEREOF.**

The Assignor is entering into this Release solely in its capacity as Collateral Agent under the Indenture and not in its individual or corporate capacity. In acting hereunder, the Assignor shall be entitled to all of the rights, privileges, immunities and indemnities granted to the Collateral Agent under the Indenture, including without limitation those set forth in Articles 7 and 10 thereof, as if such rights, privileges, immunities and indemnities were expressly set forth herein.
