ASSIGNMENT OF TRADEMARKS

This ASSIGNMENT OF TRADEMARKS (this "Assignment"), effective as of June 29, 2022 ("Effective Date"), is made and entered into by and between Core Scientific Operating Company, a Delaware corporation with its address at 2407 S. Congress Ave, Suite E-101, Austin, Texas 78704 ("Assignor"), and Advanced Micro Devices, Inc., a Delaware corporation with its address at One AMD Place, P.O. Box 3453, Sunnyvale, California 94088-3453 ("Assignee").

- A. WHEREAS, Assignor is the owner of each trademark and trademark application identified in Schedule A hereto (collectively, "Trademarks");
- B. WHEREAS, Assignor uses, or holds for use, the Trademarks to necessarily conduct business, and desires to sell and assign to Assignee, among other things, all of Assignor's right, title, and interest in and to the Trademarks together with all goodwill associated with and symbolized by such Trademarks; and
- C. WHEREAS, Assignee has agreed to purchase and desires to acquire, among other things, the Trademarks together with all goodwill associated with and symbolized by such Trademarks worldwide.

NOW THEREFORE, in consideration of the foregoing, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee ("Parties") hereby agree as follows:

- 1. Assignment. Upon the Effective Date, Assignor hereby sells, transfers, assigns, conveys, and delivers to Assignee, and Assignee hereby accepts, all of Assignor's right, title, and interest in and to the Trademarks, including, without limitation, the entire business symbolized and associated with such Trademarks, all goodwill of the business symbolized and associated with such Trademarks, all rights provided by international conventions and treaties conferred by such Trademarks and goodwill, all applications to register any of the Trademarks and all registrations that have been or may be granted for any of the Trademarks, together with all common law rights associated with such applications and registrations, all renewal rights, all rights to profits due or accrued, and all rights to sue and recover damages for past, present, and future infringement, dilution, misappropriation, unlawful imitation, or other violation thereof or conflict therewith and to fully and entirely stand in the place of the Assignor in all matters related to the Trademarks (collectively with the Trademarks, the "Assigned Rights"). All of Assignor's books and records in whatever form relating to the Trademarks, including but not limited to, original trademark registration and renewal certificates, are hereby transferred to Assignee. The assignments contemplated herein are meant to be absolute assignments and not by way of security. Assignor hereby waives and agrees not to enforce any rights of attribution and integrity and other moral rights that Assignor may have in the Assigned Rights.
- 2. Further Assurances.
 - (a) Without any additional consideration, Assignor will timely execute and deliver any and all additional documents and perform any and all additional acts that may be necessary or desirable to assist Assignee, its successors, assigns, or legal representatives, at Assignor's own expense, in the implementation, recordation, or perfection of this Assignment and Assignee's interest in and to the Assigned Rights.

- (b) If Assignee is unable to secure for any reason Assignor's signature to any document it is entitled to under Section 2(a) hereof, Assignor hereby irrevocably designates and appoints Assignee, and Assignee's duly authorized officers, agents, and representatives, as its agents and attorneys-in-fact with full power of substitution to act for and on behalf and instead of Assignor, to execute and file all such documents and to do all other lawfully permitted acts to further the purposes of this Assignment with the same legal force and effect as if executed by Assignor.
3. Due Authorization. Assignor hereby authorizes and requests all officials of any applicable governmental authority, including but not limited to the Office of the Commissioner for Trademarks in the United States, to record Assignee as the assignee and owner of the Trademarks, to issue to Assignee in Assignee's name any and all registrations and renewal of registrations from all applications and/or registrations identified in Schedule A, and to deliver to Assignee, and to Assignee's attorneys, agents, successors or assigns, all official documents and communications relating to the Trademarks.
4. Governing Law; Consent to Jurisdiction; Waiver of Trial by Jury.
- (a) This Assignment shall be governed by and construed and enforced in accordance with the internal laws of the State of Delaware, without regard to its conflict of laws principles.
- (b) Each party irrevocably submits to the exclusive jurisdiction of, and venue in, the courts of the State of Delaware and of the United States sitting in New Castle County, Delaware for purposes of any Proceeding arising out of this Assignment or any transaction contemplated hereby, and waives any objection based on forum non conveniens. Each party further agrees that service of any process, summons, notice or document by certified or registered mail to such party's respective address set forth above shall be effective service of process for any Proceeding in Delaware with respect to any matters to which it has submitted to jurisdiction in this Section 4(b).
- (c) EACH PARTY HEREBY AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS ASSIGNMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE IT HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS ASSIGNMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.
5. Counterparts. This Assignment may be executed in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. The exchange of a fully executed Assignment (in counterparts or otherwise) by facsimile or by electronic delivery in *.pdf* format shall be sufficient to bind the parties to the terms and conditions of this Assignment.
