Response to Notice of Non-Recordation of an Assignment Document

Document ID: 900707091

The USPTO issued a notice of non-recordation on grounds that the submitted documentation was not acceptable to establish an assignment of the subject property.

Registrant respectfully submits that the nature of conveyance is a “merger” and not an assignment as suggested by the UPSTO. Maurice Lacroix SA merged into Medinova AG. See “Annulation Maurice Lacroix SA, Saignelegier” PDF (English translation). As stated in the last sentence of the first paragraph in “Annulation Maurice Lacroix SA, Saignelegier” PDF (English translation), “[t]he company [Maurice Lacroix SA] is deleted in the course of a **fusion**.”

In order to clarify the nature of conveyance, Registrant hereby amends the nature of conveyance form “Annulation” to “Merger.”

Registrant requests that the USPTO record the submitted merger document, and retain the original date of filing of this assignment document.

Respectfully submitted,

/s/ Thomas A. Polcyn
