TRADEMARK ASSIGNMENT

This Trademark Assignment (“Trademark Assignment”) is made as of the date of execution below (“Execution Date”) from Specialized Technology Resources, Inc., a Delaware corporation and (the “Assignor”) to H.B. Fuller Company, a Minnesota Corporation (the “Assignee”).

WHEREAS, Assignor owns federal trademark registration No. 2364580 for the trademark PHOTOCAP on the Principal Register of the United States Patent and Trademark Office for the following goods in International Class 017: plastic solar cell encapsulants in the form of sheets for use in the further manufacturing of solar cell panels (the “Trademark Registration”); and

WHEREAS, Assignee desires to acquire all of Assignor’s right, title and interest, in and to the Trademark Registration together with the goodwill of the business symbolized thereby, and Assignor desires to assign all such right, title and interest in and to the Trademark Registration to Assignee, upon the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the foregoing, and for other good and valuable consideration, the receipt of which is hereby acknowledged, the Assignor hereby assigns and transfers to Assignee all of Assignor’s right, title and interest in and to the Trademark Registration and Trademark Application together with the goodwill of the business symbolized by the Trademark Registration, for Assignee’s own use and enjoyment, and for the use and for the use and enjoyment of Assignee’s successors, assigns and legal representatives.

IN WITNESS WHEREOF, Assignor has duly executed this Assignment on the date written below.
