Resubmission and Request for Recordal of Document as Submitted

WUID: 900730885

We write to further clarify the nature of the document to be recorded. Although the title of the document is "Assignment of Trademark Agreement," the underlying content is clearly in reference to the assignment of existing security agreements. The "Trademark Agreement" referenced in the title is in fact a reference to a security agreement (i.e., an "agreement") related to trademarks (i.e., "trademarks"). Section 503.03(e) of the Trademark Manual of Examining Procedure ("TMEP") does not require an exact match between the title of a document and nature of the conveyance; it merely requires a "description of the interest conveyed or transaction to be recorded." The wording "Assignment of Security Agreements" is more descriptive than the title of the document, "Assignment of Trademark Agreement," and conforms with the requirements of the TMEP. Moreover, the USPTO accepted a nearly identical document for recordation involving the identical parties and a different set of security agreements being assigned. That document is also entitled "Trademark Agreement" and was described as "Assignment of Security Agreements" in the cover sheet and can be found at Reel/Frame 7890/0593. Thus, the current document should be treated similarly. Accordingly, we respectfully request that the recordation request be accepted as is. If you have any additional questions, please call. Thank you.

ASSIGNMENT OF TRADEMARKS AGREEMENT

This Assignment of Trademarks Agreement (this “**Agreement**”) is effective as of October 31, 2022, by Cerberus Business Finance, LLC, a Delaware limited liability company, as resigning Collateral Agent under the Security Agreement (as defined below) (in such capacity, the “**Resigning Collateral Agent**”), in favor of Caspar Capital LP, a Delaware limited partnership, as successor Collateral Agent for the Lenders (as defined in the Security Agreement) now or hereafter party to the Security Agreement (in such capacity, the “**Successor Collateral Agent**”). All capitalized terms used but not otherwise defined herein shall have the respective meanings assigned thereto in the Security Agreement (as defined below).

WITNESSETH:

WHEREAS, the entities listed on Schedule I hereto under the caption “Grantor” (each a “**Grantor**,” collectively, the “**Grantors**”) have entered into an Amended and Restated Pledge and Security Agreement, dated January 31, 2020 (as amended, restated, supplemented, modified or otherwise changed from time to time, the “**Security Agreement**”), in favor of Resigning Collateral Agent;

WHEREAS, pursuant to the Security Agreement, each Grantor entered into one or more agreements for Assignment for Security - Trademark, each of which are listed on Schedule I hereto, (each, a “**Trademark Security Assignment**”), pursuant to which each Grantor granted to Resigning Collateral Agent, in its capacity as Collateral Agent, a security interest in all of the Grantor’s right, title and interest in, whether now owned or hereafter existing or acquired, wherever the same may be located, in all United States trademarks, trade names, business names, d/b/a’s, corporate names, Internet domain names, service marks, certification marks, collective marks, logos and other source or business identifiers, and all general intangibles of a like nature, whether statutory or common law and whether or not registered, and with respect to any and all of the foregoing, including all trademarks, trademark registrations and pending trademark registration applications of the Grantor set forth on Schedule II hereto and all of the goodwill of the business connected with the use of and symbolized by and associated therewith (collectively, the “**Trademarks**”);

WHEREAS, each Trademark Security Assignment was recorded in the United States Patent and Trademark Office on the date and at the Reel and Frame set forth opposite such Trademark Security Assignment on Schedule I hereto;

WHEREAS, pursuant to that certain Agent Resignation and Appointment Agreement (the “**Agency Transfer Agreement**”), dated as of the date hereof, Resigning Collateral Agent resigned as Collateral Agent under the Security Agreement and irrevocably assigned and delegated to Successor Collateral Agent all of its rights, authority and powers, as Collateral Agent under the Security Agreement, and Successor Collateral Agent was appointed as successor Collateral Agent and vested with, and succeeded to the rights, authority and powers of the Collateral Agent under the Security Agreement; and

WHEREAS, pursuant to the Agency Transfer Agreement, Resigning Collateral Agent transferred to Successor Collateral Agent all Collateral held under the Security Agreement,

including any and all of its interests in and to the Trademarks and the registrations thereof and applications therefor, as applicable, which heretofore had been acquired from each Grantor pursuant to the respective Trademark Security Assignment, and agreed to execute and deliver to Successor Collateral Agent, or otherwise authorized the filing of, any amendments to financing statements or similar documents, and agreed to take such other action, as would be necessary or appropriate in connection with the assignment to Successor Collateral Agent of the security interests created under the Security Agreement.

This Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the laws of the State of New York, without giving effect to applicable principles of conflicts of law to the extent that the application of the laws of another jurisdiction would be required thereby.

This Agreement may be executed in any number of counterparts, each which shall be deemed to be an original; but such counterparts shall constitute but one and the same instruments. Delivery of an executed counterpart of a signature page by facsimile or by e-mail transmission shall be deemed an original signature hereto.
