INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT is entered into as of November 14, 2022, (this "Agreement"), by 3form, LLC, a Delaware limited liability company, 3 Day Blinds LLC, a Delaware limited liability company, Comfortex Corporation, a Delaware corporation, Defender Screens International LLC, a Florida limited liability company, Hunter Douglas Window Designs, LLC, a Delaware limited liability company, Levolor, Inc., a Delaware corporation, VISTA PRODUCTS, INC., Florida corporation, Turnils North America, LLC, Delaware limited liability company, Carole Fabrics Corporation, a Delaware corporation, and Hunter Douglas Inc., a Delaware corporation ("US Borrower"), (each, a "Grantor") in favor of JPMorgan Chase Bank, N.A. ("JPMorgan"), as administrative agent and collateral agent (in such capacities, the "Administrative Agent") for the Secured Parties.

Reference is made to that certain US Pledge and Security Agreement, dated as of February 25, 2022 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time and in effect on the date hereof, the "Security Agreement"), among the US Loan Parties party thereto and the Administrative Agent. The Lenders (as defined in the Credit Agreement (as defined below)) have extended credit to the Borrowers (as defined in Credit Agreement (as defined below)) subject to the terms and conditions set forth in that certain Credit Agreement, dated as of February 25, 2022 (as amended, restated, amended and restated, supplemented or otherwise modified and in effect on the date hereof, the "Credit Agreement"), by and among Hunter Douglas Finance B.V., a private company with limited liability (*besloten vennootschap met beperkte aansprakelijkheid*) organized under the laws of the Netherlands ("Initial Holdings"), US Borrower, Hunter Douglas Holding B.V., a private company with limited liability (*besloten vennootschap met beperkte aansprakelijkheid*) organized under the laws of the Netherlands ("Dutch Borrower"), the Revolving Borrowers from time to time party thereto, the Lenders from time to time party thereto, the Issuing Banks from time to time party thereto, the Administrative Agent and JPMorgan as an Issuing Bank and the Swingline Lender. Consistent with the requirements set forth in the definition of "Collateral and Guarantee Requirement" in the Credit Agreement, Section 5.12 of the Credit Agreement and Section 4.03(c) of the Security Agreement, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement or the Credit Agreement, as applicable, as in effect on the date hereof.

SECTION 2. Grant of Security Interest. As security for the prompt and complete payment or performance, as the case may be, in full of the Secured Obligations, each Grantor, pursuant to the Security Agreement, did and hereby does pledge, mortgage, transfer and grant to the Administrative Agent, its successors and permitted assigns, on behalf of and for the ratable benefit of the Secured Parties, a continuing security interest in all of its right, title or interest in, to or under all of the following assets, whether now owned or at any time hereafter acquired by or arising in favor of such Grantor and regardless of where located (collectively, the "IP Collateral"):

A. all Trademarks, including the Trademark registrations and registration applications in the United States Patent and Trademark Office listed on Schedule I hereto, provided that, the IP Collateral excludes any "intent to use" Trademark applications filed in the United States Patent and Trademark Office and such "intent to use" Trademark applications will not be deemed to be IP Collateral unless and until an amendment to allege use or a statement of use has been filed under 15 U.S.C. Section 1051(c) or 1051(d), respectively, and accepted by the United States Patent and Trademark Office;

B. all Patents, including the Patent registrations and pending applications in the United States Patent and Trademark Office listed on Schedule II hereto

C. all Copyrights, including the Copyright registrations and pending applications for registration in the United States Copyright Office listed on Schedule III; and

D. all proceeds of the foregoing;

in each case to the extent the foregoing items constitute Collateral.

SECTION 3. *Security Agreement*. The security interests granted to the Administrative Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Administrative Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the IP Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 4. *Termination or Release*. In connection with any termination or release pursuant to Section 7.12 of the Security Agreement, the Administrative Agent shall promptly execute and deliver to the applicable Grantor, at such Grantor's expense, such documents that such Grantor shall reasonably request to evidence and/or effectuate the termination or release of the security interest granted herein.

SECTION 5. *Governing Law*. This Agreement, and any claim, controversy or dispute arising under or related to this Agreement, whether in tort, contract (at law or in equity) or otherwise, shall be governed by, and construed and interpreted in accordance with, the laws of the State of New York.
