TRADEMARK SECURITY AGREEMENT SUPPLEMENT

This TRADEMARK SECURITY AGREEMENT SUPPLEMENT is entered into as of November 17, 2022 (this “**Trademark Security Agreement Supplement**”), among Aspen Grove Landscape Group, LLC, a Delaware limited liability company (the “**Grantor**”) and Wells Fargo Bank, National Association (“**Wells Fargo**”), as collateral agent (together with its successors and assigns, in such capacity, the “**Agent**”) for the Secured Parties.

Reference is made to that certain Pledge and Security Agreement, dated as of September 4, 2020 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time and in effect on the date hereof, the “**Security Agreement**”), among the Loan Parties party thereto and the Agent. The Lenders (as defined in the Credit Agreement) have extended credit to the Borrowers (as defined in the Credit Agreement) subject to the terms and conditions set forth in that certain Credit Agreement, dated as of September 4, 2020 (as amended by the First Amendment, dated as of March 5, 2021 and as further amended, restated, amended and restated, supplemented or otherwise modified from time to time and in effect on the date hereof, the “**Credit Agreement**”), by and among Asplundh Tree Expert, LLC, a Pennsylvania limited liability company (“**Parent**”), the other Borrowers from time to time party thereto, the Lenders and Issuing Banks from time to time party thereto and Wells Fargo, as administrative agent and collateral agent for the Secured Parties. Consistent with the requirements set forth in Sections 4.01 and 5.12 of the Credit Agreement, the Grantor and the Agent have entered into that certain Trademark Security Agreement, dated as of September 4, 2020 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time and in effect on the date hereof, the “**Trademark Security Agreement**”). Under the terms of the Security Agreement, the Grantor has granted to the Agent for the benefit of the Secured Parties a security interest in the Additional Trademark Collateral (as defined below) and has agreed, consistent with the requirements of Section 4.03(c) of the Security Agreement, to execute this Trademark Security Agreement Supplement. Now, therefore, the parties hereto agree as follows:

SECTION 1. *Terms.* Capitalized terms used in this Trademark Security Agreement Supplement and not otherwise defined herein have the meanings specified in the Security Agreement.

SECTION 2. *Grant of Security Interest.* As security for the prompt and complete payment or performance, as the case may be, in full of the Secured Obligations, the Grantor, pursuant to the Security Agreement, did and hereby does pledge, collaterally assign, transfer and grant to the Agent, its successors and permitted assigns, on behalf of and for the benefit of the Secured Parties, a continuing security interest in all of its right, title or interest in, to or under all of the following assets, whether now owned or at any time hereafter acquired by or arising in favor of the Grantor and regardless of where located (collectively, the “**Additional Trademark Collateral**”):

- A. the Trademark registrations and registration applications in the United States Patent and Trademark Office listed on Schedule I hereto;
- B. all goodwill associated with or symbolized by the foregoing;
- C. the right to sue third parties for past, present and future infringements of the foregoing; and
- D. all proceeds of and any right associated with the foregoing;

in each case to the extent the foregoing items constitute Collateral.

Notwithstanding anything to the contrary in (A) through (D) above, this Trademark Security Agreement Supplement shall not constitute a grant of a security interest in any Excluded Assets, including any intent-to-use (or similar) Trademark application prior to the filing of a "Statement of Use", "Amendment to Allege Use" or similar filing with respect thereto, only to the extent, if any, that, and solely during the period, in which, if any, the grant of a security interest therein may impair the validity or enforceability, or result in the voiding of, such intent-to-use Trademark application or any registration issuing therefrom under applicable law.

SECTION 3. *Security Agreement.* The security interests granted to the Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Agent pursuant to the Security Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of the Agent with respect to the Additional Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Trademark Security Agreement Supplement and the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 4. *Governing Law.* This Trademark Security Agreement Supplement shall be governed by, and construed in accordance with, the laws of the State of New York.

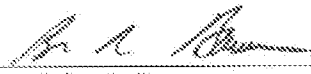

SECTION 5. *Counterparts; Electronic Execution.* This Trademark Security Agreement Supplement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Security Agreement by facsimile or other electronic transmission (including ".pdf" or ".tif" format) shall be effective as delivery of a manually executed counterpart of this Security Agreement. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to any document to be signed in connection with this Security Agreement and the transactions contemplated hereby shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Agent or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

[Signature Pages Follow]

IN WITNESS WHEREOF, the parties hereto have duly executed this Trademark Security Agreement Supplement as of the day and year first above written.
