TRADEMARK SECURITY AGREEMENT

This **ABL U.S. TRADEMARK SECURITY AGREEMENT**, dated as of November 15, 2022 (Australian Eastern Daylight Time) (this “Trademark Security Agreement”), is made by each entity identified on the signature pages hereto as a “Grantor” (collectively, the “Grantors”), and is in favor of ANZ Fiduciary Services Pty Ltd, in its capacity as security trustee pursuant to the Security Trust Deed (as defined below) (in such capacity, the “Security Trustee”).

W I T N E S S E T H:

WHEREAS, reference is made to (i) the Common Terms Deed, dated as of the date hereof (Australian Eastern Daylight Time) (as the same may be amended, amended and restated, supplemented or otherwise modified from time to time, the “Common Terms Deed”), by and between, *inter alios*, Nufarm Limited (ACN 091 323 312), a corporation incorporated under the laws of Australia (the “Company”), the Grantors, the other obligors from time to time party thereto, Australia and New Zealand Banking Group Limited, as CTD agent (in such capacity, together with its successors and permitted assigns in such capacity, the “CTD Agent”), the Security Trustee, and the other finance parties from time to time party thereto; and (ii) the Security Trust Deed, dated as of the date hereof (Australian Eastern Daylight Time) (as the same may be amended, amended and restated, supplemented or otherwise modified from time to time, the “Security Trust Deed”), by and between, *inter alios*, the Company, the Grantors, the other security providers from time to time party thereto, the CTD Agent, the Security Trustee, and the financiers from time to time party thereto;

WHEREAS, in connection with the Common Terms Deed and the Security Trust Deed, the Grantors entered into that certain SLF U.S. Pledge and Security Agreement, dated as of November 15, 2022 (Australian Eastern Daylight Time) (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”), by and among the Grantors, the other grantors from time to time party thereto and the Security Trustee; and

WHEREAS, pursuant to the Security Agreement, each Grantor is required to execute and deliver this Trademark Security Agreement to the Security Trustee on behalf of and for the benefit of the Beneficiaries.

NOW, THEREFORE, in consideration of the foregoing premises and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor and the Security Trustee, on behalf of the Beneficiaries, hereby agree as follows:

SECTION 1. Defined Terms. Capitalized terms used but not otherwise defined herein shall have the meanings given to them in the Security Agreement. For purposes of this Trademark Security Agreement, the term “Trademarks” shall mean, with respect to any Person, all of such Person’s right, title, and interest in and to the following: (a) all trademarks (including service marks), trade names, trade dress, and trade styles and the registrations and applications for registration thereof and all goodwill of the business symbolized by the foregoing (other than any “intent-to-use” application for any trademark or service mark registration filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. §1051, unless and until an Amendment to Allege Use or a Statement of Use under Section 1(c) or 1(d) of the Lanham Act (15 U.S.C. §1051, et seq.) has been filed with respect thereto); (b) all renewals of the foregoing; (c) all income, royalties, damages, and payments now or hereafter due or payable with respect thereto, including, without limitation, damages, claims, and payments for past and future infringements, misappropriations or violations thereof; (d) all rights to sue for past, present, and future infringements of the foregoing, including the right to settle suits involving claims and demands for royalties owing; and (e) all rights corresponding

to any of the foregoing throughout the world.

SECTION 2. Grant of Security Interest in Trademark Collateral. Each Grantor hereby pledges and grants to the Security Trustee, on behalf of and for the benefit of the Beneficiaries, a security interest in all of such Grantor's right, title and interest in, to and under all of the following, whether now owned by or owing to, or hereafter acquired by or arising in favor of such Grantor, and regardless of where located (all of which will be collectively referred to as the "Trademark Collateral"):

(a) all Trademarks owned by such Grantor, including, without limitation, the registered and applied-for Trademarks of such Grantor listed on Schedule I attached hereto; and

(b) to the extent not covered by clause (a) above, all accessions to, substitutions for and replacements, proceeds, insurance proceeds and products of the foregoing, together with all books and records, customer lists, credit files, computer files, programs, printouts and other computer materials and records related thereto and any General Intangibles at any time evidencing or relating to any of the foregoing;

to secure the prompt and complete payment and performance of the Secured Obligations. Notwithstanding anything to the contrary contained in this Trademark Security Agreement, "Trademark Collateral" shall in no event include, and this Trademark Security Agreement shall in no event create a lien on or a Security Interest in, any Excluded Assets of any Grantor. For the avoidance of doubt, the grant of a security interest herein shall not be deemed to be an outright assignment of any right, title or interest of any Grantor in, to or under any Trademarks or any other Intellectual Property.

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Security Trustee pursuant to, and is expressly subject to the terms and conditions of, the Security Agreement, and each Grantor hereby acknowledges and affirms that the rights and remedies of the Security Trustee with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement. In the event that any provision of this Trademark Security Agreement conflicts with the Security Agreement, the provisions of the Security Agreement shall govern and control.

SECTION 4. Termination; Release. The term of this Trademark Security Agreement shall be coterminous with the Security Agreement. If the Security Interests granted in the Security Agreement to the Security Trustee by any Grantor on any Trademark Collateral are released in accordance therewith, then the Security Interests granted herein on such Trademark Collateral shall be automatically released. If any Grantor is released from its obligations under the Security Agreement in accordance therewith, then such Grantor shall be automatically released from its obligations hereunder and the Security Interests granted hereunder on such Grantor's assets shall be automatically released.

SECTION 5. GOVERNING LAW. THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES THAT WOULD REQUIRE APPLICATION OF ANOTHER LAW, BUT GIVING EFFECT TO FEDERAL LAWS APPLICABLE TO NATIONAL BANKS.

SECTION 6. Intercreditor Agreement Governs. Notwithstanding anything herein to the contrary, for so long as the Intercreditor Agreement remains in effect, the Security Interests and rights granted pursuant to this Trademark Security Agreement shall have the priority agreed to in (and the exercise of any right or remedy by the Security Trustee hereunder shall be subject to the terms and conditions of) the Intercreditor Agreement. In the event of any conflict between this Trademark Security Agreement

(other than Section 2 hereof) and the Intercreditor Agreement, the Intercreditor Agreement shall control, and no right, power or remedy granted to the Security Trustee hereunder shall be exercised by the Security Trustee, and no direction shall be given by the Security Trustee hereunder, in contravention of the Intercreditor Agreement.

SECTION 7. Counterparts. This Trademark Security Agreement and any amendments, waivers, consents or supplements hereto may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Trademark Security Agreement by emailed pdf. or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to any document to be signed in connection with this Trademark Security Agreement and the transactions contemplated hereby or thereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the U.S. Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that nothing herein shall require the Security Trustee to accept electronic signatures in any form or format without its prior written consent.
