WHEREAS, pursuant to the Credit Agreement, the Lenders have severally agreed to make extensions of credit to the Borrower upon the terms and subject to the conditions set forth therein; and

WHEREAS, the Borrower is a member of an affiliated group of companies that includes each Grantor; and

WHEREAS, in connection with the Credit Agreement, the Borrower, the Grantors and the other parties thereto have executed and delivered a First Lien Guarantee and Collateral Agreement, dated as of November 22, 2022, (as amended, supplemented, waived or otherwise modified from time to time, the “Security Agreement”), in favor of the Agent; and

WHEREAS, pursuant to the Security Agreement, each Grantor granted to the Agent for the benefit of the Secured Parties a security interest in all of its Intellectual Property, including the Trademarks; and

WHEREAS, each Grantor has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, each Grantor agrees as follows:

due (whether at the stated maturity, by acceleration or otherwise) of the Obligations of such Grantor, except that no security interest is or will be granted pursuant hereto in any Excluded Assets.

SECTION 3. Recordation. This Agreement has been executed and delivered by each Grantor for the purpose of recording the grant of security interest with the United States Patent and Trademark Office.
