WHEREAS, Assignor is the owner of all rights, title and interest in and to the names, marks, trademarks, service marks, trade names, logo(s), and/or designs set forth in the attached "Exhibit A", as well as the trademark registrations therefor, in connection with the various goods and/or services set forth in such registrations and as used at common law, together with the goodwill of the business symbolized thereby (hereinafter, collectively the "*Marks*"); and

WHEREAS, Assignor desires to assign to Assignee all right, title and interest in and to the Marks, including any and all goodwill of the business associated therewith; and

WHEREAS, Assignee desires to acquire all right, title and interest in and to the Marks, including, any and all goodwill of the business associated therewith from Assignor;

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, accepted and confirmed, Assignor and Assignee hereby agree as follows:

1. Assignor hereby irrevocably assigns, transfers, grants, sets over, and conveys to Assignee, its successors and assigns, Assignor's entire worldwide and universal rights, title and interest in and to the Marks, including, but not limited to, the registrations therefor which are identified in Exhibit A attached hereto, together with the goodwill of the business symbolized by such Marks, the same to be held and enjoyed by Assignee, for its own use and enjoyment, and for the use and enjoyment of any of Assignee's successors, assigns, subsidiaries, or other legal representatives, as the same would have been held and enjoyed by Assignor if this Assignment had not been made, including, but not limited to, all common-law rights of Assignor in and/or to the Marks, and Assignor's right to sue for all claims, demands and/or causes for action, both at law and in equity, that Assignor may have on account of any infringement, claim of unfair competition, likelihood of confusion or dilution of the Marks or any other claim or cause of action related to the Marks prior to and following the effective date of this Assignment. Assignor further assigns to Assignee the right to sue and recover damages and/or profits for claims of past infringement, unfair competition, and/or dilution, if any.

2. Assignor shall provide any further assistance necessary to effect the assignment of all rights, title and interest in and to the Marks to Assignee, including, but not limited to, the execution of any further documents and instruments, and take such other actions as may be necessary or reasonably requested by Assignee to document the aforesaid assignment and transfer to Assignee or to enable Assignee to secure, register, maintain, enforce and otherwise fully protect its rights in and to the Marks, all without any further consideration.
