Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Security Agreement.

A. Pursuant to that certain Loan Agreement, dated as of December 2, 2022 (as amended, restated, supplemented or otherwise modified from time to time, the "Loan Agreement"), among the Grantor, the Lenders and the Administrative Agent, the Lenders have agreed to extend loans and other financial accommodations to the Grantor upon the terms and subject to the conditions set forth therein.

B. The Grantor has adopted, used and is using the trademarks, more particularly described on Schedules 1-A and 1-B annexed hereto and made a part hereof, which trademarks are registered or subject to an application for registration in the United States Patent and Trademark Office (collectively, the "Scheduled Trademarks").

C. The Grantor and other entities party thereto from time to time have entered into a Security Agreement, dated as of December 2, 2022 (as amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement") in favor of the Administrative Agent, for the benefit of the Lender Parties (as defined in the Security Agreement), pursuant to which the Grantor is required to execute and deliver this Grant of Security Interest.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, the Grantor does hereby assign, convey, mortgage, pledge, grant, hypothecate and transfer to the Administrative Agent, for the benefit of the Lender Parties, a security interest in all of such Grantor's right, title and interest in and to all trademarks, trade names, trade styles and service marks, and all designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all right, title and interest therein and thereto, all registrations and recordings thereof, including, (i) all applications, registrations and recordings in the Patent and Trademark Office or in any similar office or agency of the United States or any State thereof, or any other country or any political subdivision thereof, all whether now owned or hereafter acquired by such Grantor, including the Scheduled Trademarks, and all proceeds thereof, including any and all causes of action which may exist by reason of infringement thereof, (ii) all reissues, extensions or renewals thereof and all licenses thereof, and (iii) all goodwill of such Grantor's business symbolized by such trademarks and all customer lists and other records of such Grantor relating to the distribution of products or provision of services bearing or covered by such trademarks (the "Collateral") to secure the prompt payment, performance and observance of the Secured Obligations.

Notwithstanding the foregoing, the security interest created by this Grant of Security Interest shall not extend to any applications for trademarks or service marks filed in the Patent and Trademark Office pursuant to 15 U.S.C. §1051 Section 1(b) unless and until evidence of use of the mark in commerce is submitted to the Patent and Trademark Office pursuant to 15 U.S.C. §1051 Section 1(c) or Section 1(d).

The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Administrative Agent with respect to the security interest in the Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any irreconcilable conflict between the terms of this Grant of Security Interest and the Security Agreement, the terms of the Security Agreement shall govern.
