TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of December 6, 2022 (this “Security Agreement”), is made by Audio and Video Labs, Inc., a New Jersey corporation, AudioMicro, Inc., a Delaware corporation, and FUGA North America LLC, a New York limited liability company (on behalf of its subsidiary, Songspace LLC) (collectively, the “Grantors”) in favor of **CITY NATIONAL BANK**, as administrative agent (in such capacity, together with its successors and permitted assigns, the “Administrative Agent”) for the Secured Parties (as defined in the Credit Agreement referred to below).

WHEREAS, AVL Holding Inc., a Delaware corporation (the “Borrower”), the Grantors, the other Guarantors party thereto, the lenders from time to time parties thereto (the “Lenders”), and the Administrative Agent have entered into that certain Credit, Security, Guaranty and Pledge Agreement, dated as of July 24, 2019 (as amended, restated, supplemented, replaced, increased, refinanced or otherwise modified from time to time, the “Credit Agreement”); and

WHEREAS, the Credit Agreement requires the Grantors to execute and deliver this Security Agreement.

NOW, THEREFORE, in consideration of the premises and in order to ensure compliance with the Credit Agreement, the Grantors hereby agrees as follows:

SECTION 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Credit Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. The Grantors, as security for the due and punctual payment of the Obligations and as security for their obligations under Article X of the Credit Agreement, hereby grant and pledge, to the Administrative Agent (for the benefit of the Secured Parties) a security interest in all of their right, title and interest in, to and under the following, in each case, solely to the extent constituting Collateral of such Grantors (the “Trademark Collateral”):

- (i) all of its Trademarks, including, but not limited to, those referred to on Schedule I hereto;
- (ii) all licenses of the foregoing, including, but not limited to, those referred to on Schedule I hereto;
- (iii) all goodwill of the business connected with the use of, and symbolized by, each such Trademark;
- (iv) all income, royalties, proceeds, damages and payments at any time due and/or payable under or with respect to any of the foregoing, including, without limitation, all damages or payments for past, present or future infringements for any of the foregoing; and
- (v) the right to sue at law or in equity for past, present, and future infringement, misappropriation, dilution, violation or other impairment thereof.

SECTION 3. Credit Agreement. The security interest granted pursuant to this Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent pursuant to the Credit Agreement, and the Grantors hereby acknowledge and agree that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Credit Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. This Security Agreement is made for collateral purposes only. At such time as Payment in Full of the Obligations occurs, the Administrative Agent (on behalf of the

Secured Parties) shall promptly execute and deliver to the Grantors, at the Grantors' request and expense, without representation, warranty or recourse, all releases and reassignments, termination statements and other instruments as may be reasonably necessary to terminate the security interest of the Administrative Agent (for the benefit of the Secured Parties) in the Trademark Collateral, subject to any disposition thereof that may have been made by the Administrative Agent pursuant to the terms hereof and of the Credit Agreement.

SECTION 4. Counterparts. This Security Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Security Agreement by telecopy, e-mailed .pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart of this Security Agreement. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to any document to be signed in connection with this Security Agreement and the transactions contemplated hereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that nothing herein shall require the Administrative Agent to accept electronic signatures in any form or format without its prior written consent.

SECTION 5. Governing Law. This Security Agreement shall be construed in accordance with and governed by the law of the State of New York.

SECTION 6. Severability. If any provision of this Security Agreement is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Security Agreement shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 7. Miscellaneous. This Security Agreement shall bind and inure to the benefit of the parties hereto and their successors and permitted assigns (as determined pursuant to the Credit Agreement), but neither this Security Agreement nor any of the rights or interests hereunder shall be assigned by Grantors (including its successors and permitted assigns) without the prior written consent of the Administrative Agent (which shall be provided only in accordance with the applicable provisions of the Credit Agreement), and any attempted assignment without such consent shall be null and void. If any conflict or inconsistency exists between this Security Agreement and the Credit Agreement, the Credit Agreement shall govern.
