## TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT ("Agreement") is entered into and made effective as November 10, 2022 ("Effective Date"), by and between LPG Tecnicas en Extincion de Incendios, S.L., a Spanish private limited company with a principal place of business at Mestre Joan Corrales, 107-109, Esplugues de Llobregat, Barcelona, 8950 Spain ("ASSIGNOR") and Tyco Fire & Security GmbH, a Swiss limited liability company with a principal place of business at Victor von Bruns-Strasse 21, 8212 Neuhausen am Rheinfall, Switzerland ("ASSIGNEE") (collectively, the "Parties").

WHEREAS, ASSIGNOR wishes to assign, transfer, convey, and deliver, together with the goodwill of the business related thereto, to ASSIGNEE all of ASSIGNOR's right, title, and interest in and to the trademarks, service marks, trade dress, trade names, and other indicators of source including registrations and applications for, and common law rights in, the foregoing owned by ASSIGNOR anywhere in the world (collectively, the "Trademarks"), including without limitation the trademarks, trademark registrations, and trademark applications listed in Attachment A hereto; and

WHEREAS, ASSIGNEE seeks to acquire all right, title, and interest in and to the Trademarks, together with the goodwill of the business related thereto.

NOW THEREFORE, in consideration of the representations, warranties, covenants, and agreements contained herein, and One US Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound hereby, the Parties agree as follows:

1. ASSIGNOR hereby assigns, transfers, conveys, and delivers, together with the goodwill of the business related thereto, to ASSIGNEE, and ASSIGNEE hereby accepts from ASSIGNOR, all right, title, and interest of ASSIGNOR in and to the Trademarks, together with the goodwill of the business related thereto, all pending applications and registrations therefor, the common law and unregistered rights associated therewith, and all rights, claims, and causes of action, if any, for the benefit of ASSIGNOR relating to the Trademarks, including the right to bring suit and recover damages for infringements occurring before, on or after the Effective Date.

2. In the event that this Agreement is insufficient to vest legal and record title in any of the Trademarks in ASSIGNEE, then ASSIGNOR will use reasonable best efforts to take, or cause to be taken, all reasonable actions to execute, notarize, authenticate, legalize, or consularize all documents, in each case necessary to vest legal and record title in such Trademarks in ASSIGNEE.

3. This Agreement may be executed in any number of counterparts, and in separate counterparts, and may be delivered by .pdf or other similar electronic transmission. Each

counterpart when so executed and delivered shall be deemed an original, and all such counterparts taken together shall constitute one and the same instrument.

4. This Agreement is not intended to, and does not, confer any legal or equitable rights or remedies hereunder upon any person or entity other than the Parties and their respective successors and permitted assigns.

5. This Agreement shall be binding upon, inure to the benefit of, and be enforceable by and against the Parties and their respective successors and permitted assigns.

6. If any provision of this Agreement is fully or in part invalid, illegal, or incapable of being enforced by any rule, law, or public policy, all other provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic and legal substance of the transactions contemplated hereby are not affected in any manner materially adverse to any Party. Upon such determination that any provision is invalid, illegal, or incapable of being enforced, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible.

7. This Agreement shall be governed by and construed in accordance with the laws of Switzerland, without giving effect to conflicts of law principles.
