SUPPLEMENT TO TRADEMARK SECURITY AGREEMENT

THIS SUPPLEMENT TO TRADEMARK SECURITY AGREEMENT (the "Supplement") is made as of this 18th day of October, 2022, by **I.O.W.A., LLC**, a California limited liability company and **MEDIASILO, INC.**, a Delaware corporation (each, a "Grantor", and collectively, the "Grantors"), in favor of **PNC BANK, NATIONAL ASSOCIATION** ("Assignee")

WITNESSETH

WHEREAS, Grantors and Assignee are parties to a certain Trademark Security Agreement dated as of November 16, 2018 (as the same heretofore may have been and hereafter may be amended, restated, supplemented or otherwise modified from time to time (the "**IP Agreement**")). Capitalized terms used herein but not otherwise defined herein shall have the meanings given thereto in the IP Agreement;

WHEREAS, pursuant to the terms of the IP Agreement, to secure the prompt payment and performance of all Obligations to Assignee, Grantors have agreed that upon the acquisition by Grantors of any new registered Intellectual Property, Grantors shall deliver to Assignee a Supplement to the IP Agreement pursuant to which Grantors shall reconfirm the grant by them of a security interest in all such newly-acquired registered Intellectual Property, which such Supplement is intended by the parties to be filed with the United States Patent and Trademark Office.

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, receipt and sufficiency of which are hereby acknowledged by each party hereto, and intending to be legally bound, and with the foregoing background and recitals incorporated by reference, Grantor agrees as follows:

1. Reaffirmation of Grant of Security Interests. Without limiting any other grant of Lien by the Grantors in any Collateral under the Credit Agreement, Grantors hereby reaffirm their prior grant pursuant to the Credit Agreement of a continuing security interest in and Lien on all of the Grantors' right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "IP Collateral"), with power of sale to the extent permitted by law:

(a) all of such Grantors' newly-acquired trademarks, trademark applications, service marks, trade names, mask works (collectively, "Trademarks"), all of the goodwill of the business connected with the use of, and symbolized by, each Trademark, and licenses for any of the foregoing ("Trademark Licenses"), including those referred to on Schedule I hereto;

(b) all reissues, continuations or extensions of the foregoing; and

(c) all products and proceeds of the foregoing, including any claim by such Grantors against third parties for past, present or future infringement or dilution of any Trademark or any Trademark licensed under any Trademark License.

Grantors agree that all such newly-acquired IP Collateral described above shall be included in and be part of the IP Collateral under and subject to all of the terms and provisions of the IP Agreement. Grantors hereby authorizes Assignee to file and record a copy of this Supplement with the United States Patent and Trademark Office.

2. Representations and Warranties. Grantors hereby represent and warrant to Assignee that Schedule I hereto sets forth a full, complete and correct list of all registered IP Collateral owned by Grantors as of the date hereof not listed on Schedule I to the original IP Agreement or any schedule to any other Supplement to the original IP Agreement delivered by Grantors since the date thereof.

3. Incorporation of the IP Agreement. The terms and provisions of the IP Agreement are hereby incorporated by reference and this Supplement shall be considered an amendment and supplement to and part of the IP Agreement, all of the provisions of which IP Agreement are and remain in full force and effect.

[Remainder of Page Left Intentionally Blank]

IN WITNESS WHEREOF, Grantors have duly executed this Supplement to the IP Security Agreement as of the date first written above.
