ASSIGNMENT OF TRADEMARKS

This Assignment of Trademarks (this "Assignment") is entered into as of November 18, 2022, by and between THE COMPHY CO., a California corporation with an address of 7034 Portal Way #110, Ferndale WA, 98248 ("Assignor"), and COOP HOME GOODS LLC, a Delaware limited liability company with an address of 7860 Paramount Boulevard, Pico Rivera, CA 90660 ("Assignee").

Assignor, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, does hereby irrevocably assign, transfer and convey unto Assignee, its successors and assigns, free and clear of all liens, claims, encumbrances, restrictions and limitations, (i) all right, title and interest, in perpetuity, whether now known or hereafter created, throughout the universe, in and to all trademarks, service marks and trade names of Assignor, and all trade dress related thereto, including but not limited to all common law rights, and all trademark applications and registrations identified on Schedule A, annexed hereto and incorporated herein by reference, and together with any and all renewals and extensions thereof, along with any and all proprietary or other rights in any or all of such trademarks, trade dress, service marks and trade names, and (ii) all of Assignor's rights, title and interest, in perpetuity, whether now known or hereafter created, throughout the universe, in and to any and all other trademarks, trade dress, service marks and trade names, whether registered or unregistered, in which Assignor possesses any rights and/or ownership interests and which are used or held for use in, or related to, each Assignor's business, together with all goodwill attendant to and/or symbolized by all such Trademarks and the business associated therewith, along with (to the fullest extent permitted by law) any and all claims for past infringement, and the right to initiate suit and obtain damages and other forms of relief, both legal and equitable, arising from infringement, misappropriation or other violation, whether prior to or subsequent to the date hereof, of any of such Trademarks, or of any proprietary or other rights in any or all such Trademarks.

TO HAVE AND TO HOLD the aforementioned properties, assets and rights unto Assignee, its successors and assigns, to and for its use forever.

Assignor agrees, to the fullest extent permitted by law, not to institute or participate in any proceedings which challenge the validity of (a) any of the Trademarks or (b) the right, title or interest of Assignee, or any of its successors or assigns, in or to any of the Trademarks.

Assignor shall promptly, upon the request of Assignee and/or any of its successors and assigns, execute such other documents and/or instruments of assignment, transfer and conveyance as Assignee and/or its successors and assigns may reasonably request to permit Assignee or its successors or assigns to record the assignment covered by this Assignment or any other documents which Assignee, or any of its successors or assigns, may reasonably deem necessary, appropriate or desirable to evidence or effectuate the terms or intent of this Assignment. Without limiting the foregoing, Assignor hereby irrevocably appoints Assignee and each of Assignee's successors and assigns, and each of the officers of any of them, signing singly, as attorney-in-fact with full power (and coupled with an interest), with full power of substitution, to be the true and lawful attorney of Assignor, in the name, place and stead of Assignor, to execute, acknowledge, swear to and file all documents (including but not limited to any instruments of assignment, transfer and/or conveyance) and to take all actions which Assignee deems necessary, appropriate or desirable to

evidence or effectuate the intent of this Assignment.

This Assignment shall be governed by, and construed in accordance with, the laws of the State of Delaware without reference to the choice of law principles thereof that would result in the application of the substantive laws of another jurisdiction.

This Assignment may be executed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument.
