## TRADEMARK ASSIGNMENT

This Trademark Assignment (this "Assignment") is made and entered into this 30 day of November, 2022 (the "Effective Date") by and between SECO USA Inc., with address of 30 W. Gude Drive, suite 550, Rockville, MD 20850 ("Assignor"), and InHand Networks, Inc., with address of 43671 Trade Center Place, # 100, Sterling, VA 20166 ("Assignee").

For good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties agree as follows:

1. Assignor hereby sells, assigns, transfers and sets over unto Assignee all of Assignor's right, title and interest, in and to the Trademark, together with all goodwill related to or associated with the use of and symbolized by the Trademark, and including all causes of action, either in law or in equity, for past, present, or future infringement of the Trademark. "Trademark" means the trademark listed in Schedule A attached hereto and incorporated herein by reference.

2. Assignor agrees that it shall, at Assignee's cost and expense: execute and deliver further instruments of conveyance, transfer and assignment as requested by Assignee, its successors, or assigns; communicate to Assignee, its successors and assigns, such facts relating to the Trademark or the history thereof as may be known to it; and take any and all other actions as Assignee, its successors, or assigns may reasonably require to effectively assign, convey, transfer, protect, enforce, and exploit such Trademark and all rights therein to Assignee, its successors, or assigns.

3. In the event that Assignee is unable for any reason to secure Assignor's signature to any document or instrument necessary to affect the Assignment set forth herein, Assignor hereby irrevocably designates and appoints Assignee and its duly authorized officers and agents as Assignor's agent and attorney-in-fact to act for and on Assignor's behalf and instead of Assignor, to execute and file any such document or instrument with the same legal force and effect as if executed by Assignor. The power of attorney granted herein is irrevocable and is a power coupled with an interest.

IN WITNESS WHEREOF, the Assignor caused this Assignment to be executed by its duly authorized officer.
