TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement") is entered into as of December 22, 2022, by and between **HOP ENERGY, LLC**, a Delaware limited liability company (the "Grantor"), and **ABL Opco LLC**, in its capacity as administrative agent (the "Administrative Agent") for the lenders party to the Credit Agreement referred to below.

WITNESSETH:

WHEREAS, pursuant to that certain Credit Agreement dated as of December 22, 2022 (as amended, restated, amended and restated, supplemented, or otherwise modified from time to time, the "Credit Agreement"), by and among the Grantor, as the Borrower, the other Loan Parties party thereto, the Lenders party thereto, and the Administrative Agent and the other Secured Parties have agreed to make certain financial accommodations available to the Borrower from time to time pursuant to the terms and conditions thereof; and

WHEREAS, the Administrative Agent and the other Secured Parties are willing to make the financial accommodations to the Borrower as provided for in the Credit Agreement, but only upon the condition, among others, that the Grantor shall have executed and delivered to the Administrative Agent that certain Pledge and Security Agreement, dated as of December 22, 2022 (including all exhibits and any other attachments thereto, as from time to time amended, restated, amended and restated, supplemented or otherwise modified, the "Security Agreement");

WHEREAS, pursuant to the Security Agreement, the Grantor pledged and granted to the Administrative Agent, on behalf of and for the ratable benefit of the Secured Parties a security interest in the Trademark Collateral (as defined below); and

WHEREAS, pursuant to the Security Agreement, the Grantor has agreed to execute and deliver this Trademark Security Agreement in order to record the security interest granted to the Administrative Agent, on behalf of and for the ratable benefit of the Secured Parties, with the United States Patent and Trademark Office;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor hereby agrees as follows:

1. DEFINED TERMS. All initially capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement or, if not defined therein, in the Credit Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. The Grantor hereby pledges, collaterally assigns and grants to the Administrative Agent, on behalf of and for the ratable benefit of the Secured Parties, to secure the prompt and complete payment and performance of the Secured Obligations, a security interest (referred to in this Trademark Security Agreement as the "Security Interest") in all of the Grantor's right, title and interest in, to and under the following, whether now owned or hereafter acquired or arising (collectively, the "Trademark Collateral");

(a) all of its Trademarks and licenses with respect to Trademarks to which it is a party including those Trademarks registered with the United States Patent and Trademark Office as are listed on Schedule I;

(b) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each license with respect to Trademarks; and

(c) all products and proceeds (as that term is defined in the UCC) of the foregoing, including any claim by the Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark or any Trademarks exclusively licensed under any license, including right to receive any damages, (ii) injury to the goodwill associated with any Trademark, or (iii) right to receive license fees, royalties, and other compensation under any license with respect to Trademarks.

3. **SECURITY FOR SECURED OBLIGATIONS.** This Trademark Security Agreement and the Security Interest created hereby secures the payment and performance of the Secured Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Secured Obligations and would be owed by the Grantor to the Administrative Agent or any of the other Secured Parties, or any combination of such parties, whether or not they are unenforceable or not allowable due to the existence of an insolvency proceeding involving the Grantor.

4. **SECURITY AGREEMENT.** The Security Interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interests granted to the Administrative Agent, on behalf of and for the ratable benefit of the Secured Parties, pursuant to the Security Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Security Interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any inconsistency between this Trademark Security Agreement and the Security Agreement, the Security Agreement shall control.

5. **AUTHORIZATION TO SUPPLEMENT.** If the Grantor shall obtain rights to any new Trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. The Grantor hereby authorizes the Administrative Agent, on behalf of and for the ratable benefit of the Secured Parties, to unilaterally modify this Trademark Security Agreement by amending Schedule I to include any such new trademark rights of the Grantor. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from the continuing security interest of the Administrative Agent, on behalf of and for the ratable benefit of the Secured Parties, in all Collateral, whether or not listed on Schedule I.

6. **COUNTERPARTS.** This Trademark Security Agreement may be executed in any number of counterparts, all of which taken together shall constitute one agreement, and any of the parties hereto may execute this Trademark Security Agreement by signing any such counterpart. Delivery of an executed counterpart of a signature page of this Trademark Security Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement.

7. **CHOICE OF LAW. THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF NEW YORK.**

8. **MISCELLANEOUS. THIS TRADEMARK SECURITY AGREEMENT SHALL BE SUBJECT TO THE PROVISIONS REGARDING JURISDICTION, JURY TRIAL WAIVER, AND JUDICIAL REFERENCE SET FORTH IN SECTIONS 9.09 AND 9.10 OF THE CREDIT AGREEMENT, AND SUCH PROVISIONS ARE INCORPORATED HEREIN BY THIS REFERENCE, MUTATIS MUTANDIS.**

IN WITNESS WHEREOF, the undersigned has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
