TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of December 23, 2022, is made by Coherent Logix, Incorporated (the "Grantor") in favor of ACP Post Oak Credit I LLC, as Collateral Agent (in such capacity, together with its successors and assigns in such capacity, the "Collateral Agent").

Recitals

The Collateral Agent, Coherent Logix, Incorporated and the Lenders from time to time party thereto have entered into a Senior Secured Term Loan Credit Agreement, dated as of December 23, 2022 (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement").

Pursuant to the Credit Agreement and as a condition to the extension of credit by the Lenders under the Credit Agreement, the Grantor executed and delivered a Guarantee and Collateral Agreement, dated as of December 23, 2022 (the "Collateral Agreement"), in favor of the Collateral Agent for the ratable benefit of the Secured Parties.

The Grantor solely and exclusively owns the trademarks and trademark applications listed on Schedule A attached hereto (the "Trademarks"), which Trademarks have been issued by or are pending applications in the United States Patent and Trademark Office.

This Agreement has been executed in conjunction with the security interest granted under the Collateral Agreement to the Collateral Agent for the ratable benefit of the Secured Parties. In the event that any provisions of this Agreement are deemed to conflict with the Collateral Agreement, the provisions of the Collateral Agreement shall govern.

Agreement

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is hereby agreed that:

1. Definitions. Unless otherwise indicated, all capitalized terms not defined herein shall have the respective meaning given to them in the Collateral Agreement.

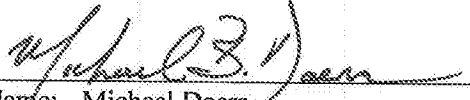

2. The Security Interest. The Grantor hereby pledges, assigns and transfers to the Collateral Agent, and grants to the Collateral Agent, for the ratable benefit of the Secured Parties, a security interest in all of the following property, now owned or at any time hereafter acquired by the Grantor or in which the Grantor now has or at any time in the future may acquire any right, title or interests and whether now existing or hereafter coming into existence: (1) any and all trademarks and trademark applications, including the Trademarks (except any "intent to use" trademark applications pending under Section 1(b) of the Trademark Act for which a statement of use or an amendment to allege use has not been filed (but only until such statement or amendment is filed)); (2) all renewals and extensions thereof; (3) all income, royalties, damages, claims and payments now or hereafter due or payable under and with respect thereto, including, without limitation, damages and payments for past and future infringements thereof; (4) all rights to sue for past, present and future infringements thereof; (5) all goodwill of the business associated with the foregoing; (6) all rights corresponding to any of the foregoing throughout the world; and (7) all Proceeds of the foregoing.

3. Governing Law. **THIS AGREEMENT SHALL BE GOVERNED BY, AND
CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.**

IN WITNESS WHEREOF, the Grantor has executed this Agreement by its duly authorized representative as of the date first written above.
