Borrower acknowledges and agrees that upon the occurrence and during the continuation of an Event of Default, and upon written notice to Borrower, the Intellectual Property Collateral shall be immediately conveyed to Lender without any further action by any party, and Lender shall have, in accordance with their rights as a security party solely, the power to use and/or sell the Intellectual Property Collateral. Borrower covenants and agrees to execute and deliver to Lender all agreements, instruments, documents and other written matter that Lender may request, in form and substance acceptable to Lender, to perfect and maintain perfected Lender's security interest and lien in and to the Intellectual Property Collateral and to consummate the transactions contemplated by this Section 2.

3. Restrictions on Future Agreements.

A. Borrower agrees that until the Obligations shall have been indefeasibly paid and satisfied in full and the Loan Documents have been terminated, Borrower will not, without Lender's prior written consent, enter into any document, instrument or agreement which is inconsistent with Borrower's obligations under this Agreement. Borrower further agrees that it will not take any action, or permit any action to be taken by others subject to their control, including licensees, or fail to take any action, which would affect the validity or enforcement of the rights transferred to Lender under this Agreement.

B. Borrower hereby represents and warrants to Lender that Borrower has not granted any license to any Person other than Lender in connection with any of the Intellectual Property Collateral. Borrower hereby covenants unto Lender that until the Obligations shall have been indefeasibly paid and satisfied in full and the Loan Documents have been terminated, Borrower shall not grant any license to any third party in connection with the Intellectual Property Collateral without Lender's prior written consent, which consent shall not be unreasonably withheld.

4. **New Trademarks, Patents, Copyrights and Licenses.** Borrower represents and warrants that the Trademarks, Patents, Copyrights and Licenses listed on Schedules "A", "B", "C" and "D" respectively constitute all of the trademarks, trademark registrations, patents, patent registrations, copyrights, applications therefor and licenses now owned by Borrower. If, prior to payment of the Obligations in full, Borrower shall (i) obtain rights to any new trademarks, trademark registrations, trademark applications, patents, patent registrations, patent applications, copyrights, application for copyright registration or licenses, or (ii) become entitled to the benefit of any trademark, trademark registration, trademark application, copyright, application for copyright registration or license renewal, the provisions of Section 2 above shall automatically apply thereto and Borrower shall provide Lender with immediate notice thereof. Borrower hereby authorizes Lender to modify this Agreement by amending Schedules "A", "B", "C" and "D" to include any future trademarks, trademark registrations, trademark applications, patents, patent registrations, patent applications, copyrights, applications for copyright registration and licenses.

5. **Royalties; Terms.** Borrower hereby agrees that the use by Lender of all Intellectual Property Collateral after an Event of Default as described above shall be without any liability for royalties or other related charges from Lender to Borrower. The term of the assignments granted herein shall extend until the earlier of (i) the expiration of each of the respective Trademarks, Patents, Copyrights and Licenses assigned hereunder, or (ii) the payment to Lender of the Obligations in full and the termination of the Loan Documents.

6. **Lender's Right to Inspect.** Lender shall have the right to inspect Borrower's premises and to examine Borrower's books, records and operations, including, without limitation, Borrower's quality control processes. Upon the occurrence and during the continuance an Event of Default, Borrower agrees that Lender shall have the right to establish such additional product quality controls as Lender, in its sole discretion, may deem necessary to assure maintenance of the quality of products sold by Borrower under the Trademarks, Patents, Copyrights or Licenses. Borrower agrees (i) not to sell or assign its interest in, or grant any licenses under, the Trademarks, Patents, Copyrights or Licenses, other than in the ordinary course of such Borrower's business upon arm's length terms; (ii) to maintain the quality of any and all products produced in connection with the Intellectual Property Collateral consistent with the quality of said products as of the date hereof; and (iii) not to adversely change or alter the quality of said products in any way without Lender's prior written consent.

7. **Nature and Termination of Lender's Security Interest.** This Agreement is made for collateral purposes only. Except as otherwise provided in Sections 3, 6 and 13 hereof, nothing contained herein shall be deemed to limit in any way Borrower's right to use the Trademarks, Patents, Copyrights or Licenses or to grant to Lender any right to use the Trademarks, Patents, Copyrights or Licenses prior to an Event of Default.

8. **Duties of Borrower.** Borrower shall have the duty (i) to prosecute diligently any trademark, patent and copyright registration pending as of the date hereof or at any time hereafter, until the Obligations shall have been paid in full, (ii) to make applications for trademarks, patents and copyrights, as appropriate, and (iii) to preserve and maintain all Intellectual Property Collateral. Any expenses incurred in connection

with such applications shall be borne by Borrower. Borrower shall not abandon any Intellectual Property Collateral, without the consent of Lender, provided that no such consent shall be required with respect to taglines, product names and formulations abandoned by Borrower in the ordinary course of Borrower's business.

9. **Lender's Right to Sue.** Upon the occurrence and during the continuation of an Event of Default, Lender shall have the right, but shall in no way be obligated, to bring suit in its own name or in the name of Borrower to enforce the Trademarks, Patents, Copyrights and Licenses. If Lender shall commence any such suit, Borrower shall, at the request of Lender, do any and all acts and execute any and all instruments, documents and agreements required by Lender to enforce such Intellectual Property Collateral, and Borrower shall promptly, upon demand, reimburse and indemnify Lender for all costs and expenses incurred by Lender in the exercise of its rights and remedies under this Section 9.

10. **Waivers.** Lender's failure at any time or times hereafter to require strict performance by Borrower of any provision of this Agreement shall not waive, affect or diminish any right of Lender thereafter to demand strict compliance and performance therewith. Any suspension or waiver by Lender of an Event of Default shall not suspend, waive or affect any other Event of Default, whether same is prior or subsequent thereto and whether of the same or a different type. None of the undertakings, agreements, warranties, covenants and representations of Borrower contained in this Agreement and no Event of Default by Borrower shall be deemed to have been suspended or waived by Lender unless such suspension or waiver is in writing signed by an officer of Lender and directed to Borrower specifying such suspension or waiver.

11. **Severability.** The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

12. **Modification.** This Agreement cannot be altered, amended or modified in any way, except as specifically provided in Section 4 hereof or by a writing signed by the parties hereto.

13. **Cumulative Remedies; Power of Attorney; Effect on Loan Agreement.** All of Lender's rights and remedies with respect to the Intellectual Property Collateral, whether established hereby, by the Loan Documents, by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Borrower hereby authorizes Lender to make, constitute and appoint any officer or agent of Lender as Lender may select, in its sole discretion, as Borrower's true and lawful attorney-in-fact, with power, upon the occurrence and during the continuation of an Event of Default and commencement by Lender of any of its rights and remedies whatsoever, whether pursuant to this Agreement, the Loan Documents, at law, in equity or otherwise, to (a) endorse Borrower's name on all applications, documents, papers and instruments necessary or desirable for Lender in connection with selling the Intellectual Property Collateral, (b) take any other actions with respect to the Intellectual Property Collateral as Lender decides in its sole and absolute discretion, (c) assign, pledge, sell, convey or otherwise transfer title in or dispose of the Intellectual Property Collateral to any person or entity as Lender may determine in its discretion, and (d) grant or issue any non-exclusive license under the Intellectual Property Collateral, to any person or entity. Borrower agrees to indemnify Lender for any infringement claims or other similar claims filed or asserted against Lender from the use of any of the Intellectual Property Collateral. Borrower hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until the Obligations shall have been paid in full and all financing arrangements between Borrower and Lender have been terminated. Borrower acknowledges and agrees that this Agreement is not

intended to limit or restrict in any way the rights and remedies of Lender under the Loan Documents, at law or in equity, but rather is in addition to and intended to facilitate the exercise of such rights and remedies.

14. **Binding Effect; Benefits.** This Agreement shall be binding upon Borrower and its successors and assigns, and shall inure to the benefit of Lender, its nominees, successors and assigns.

15. **Notice.** Any and all notices, exercises, demands, requests, consents, designations, waivers and other communications required or desired hereunder shall be delivered to the parties hereto at their addresses set forth in the Loan Agreement and shall be effective as set forth in the Loan Agreement.

16. **Governing Law.** This Agreement shall be deemed to have been executed and delivered in Chicago, Illinois, and shall be governed by and construed in accordance with the internal laws (as opposed to conflicts of law provisions) of the State of Illinois.
