The security interest granted pursuant to this IP Security Agreement is granted in conjunction with the security interest granted to Administrative Agent, for the benefit of the Lenders and the other Secured Parties, pursuant to the Security Agreement, and Grantor hereby acknowledges and agrees that the rights and remedies of Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of any conflict or inconsistency between this IP Security Agreement and the Security Agreement (or any portion hereof or thereof), the terms of the Security Agreement shall prevail.
