WHEREAS, pursuant to the Guarantee and Collateral Agreement, Grantor has granted in favor of Assignee a security interest in certain Collateral, including the Trademarks set forth on Schedule A hereto as of the date hereof.

NOW, THEREFORE, in consideration of the foregoing, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantor and the Assignee hereby agree as follows:

1. Grant of Security Interest

(a) Subject to the terms and conditions of the Guarantee and Collateral Agreement, to evidence further the security interest granted by Grantor to Assignee pursuant to the Guarantee and Collateral Agreement, Grantor hereby grants to Assignee a security interest in all of Grantor’s right, title and interest in, to and under the Trademarks, whether now owned or existing or at any time hereafter acquired or arising and wherever located, as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of Grantor’s Obligations. For the purposes of this Agreement, “Trademarks” means all of the following included in the Collateral: (i) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade dress, trade styles, service marks, logos, Internet domain names and other source or business identifiers, now existing or hereafter adopted or acquired, (ii) all registrations and recordings thereof, and all applications in connection therewith, whether in the U.S. Patent and Trademark Office or in any similar office or agency of the United States, any State thereof and all common-law rights related thereto, including, without limitation, any of the foregoing referred to on Schedule A hereto, (iii) the right to obtain all renewals thereof and (iv) all goodwill associated with or symbolized by any of the foregoing.

Grantor additionally agrees to execute any additional agreement or amendment hereto as may be reasonably required by the Assignee from time to time, to subject any such owned or subsequently acquired right, title or interest in any Trademark that is Collateral to the security interests and perfection created or contemplated hereby or by the Guarantee and Collateral Agreement.
