WHEREAS, Assignor agrees to assign to Assignee all of Assignor’s right, title and interest in the Trademarks identified above and throughout the world together with the goodwill of the business symbolized thereby, and together with all claims for damages by reason of past infringement or other violation thereof, with the right to sue for, and collect the same for its own use and benefit, and for the use and benefit of its successors, assigns and legal representative.

NOW, THEREFORE, for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor agrees to assign and, effective as of the Effective Date, hereby irrevocably assigns to Assignee all of the Assignor’s right, title and interest to the Trademarks, free and clear of all encumbrances, in the United States and throughout the world, including all common law rights in the Trademarks, registrations and applications for any of the Trademarks, renewals and extensions thereof, and the right to file foreign applications directly in the name of Assignee and to claim for any such foreign applications any priority rights in which such applications are entitled under international conventions, treaties, or otherwise, together with the goodwill of the business symbolized by, and all goodwill associated with, the Trademarks, and together with all claims, demands, income, damages, royalties, payments, accounts and accounts receivable now or hereafter due and/or payable, and rights to causes of action and remedies, both statutory and based upon common law, that Assignor has or might have by reason of any past, present or future infringement or other violation of the Trademarks prior to, on, or after the Effective Date, including all claims for damages by reason of past infringement or other violation thereof, with the right to sue for, and collect the same for its own use and benefit, and for the use and benefit of its successors, assigns

and legal representative, all of said rights to be held and enjoyed by Assignee, for its own use and benefit and for the use and benefit of its successors, assigns or other legal representatives as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made.

Assignor acknowledges that as of the Effective Date, the Assignee is solely responsible for all procedures and related expenses associated with recording the assignment of the registered Trademarks with the United States Patent and Trademark Office and all other bodies/entities, if any, except that for any of the registered Trademarks Assignor will perfect the chain of title in all jurisdictions, if and as necessary, to enable Assignee to effect this Assignment, at Assignor's expense.

Assignor authorizes and requests the Commissioner of Trademarks of the United States, and the corresponding entities or agencies in any applicable foreign jurisdictions, whose duty is to issue patents, trademarks or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to Assignee and to record Assignee as owner of the Trademarks, as assignee of the entire right, title and interest in, to and under the same, for the sole use and enjoyment of Assignee, its successors, assigns or other legal representatives.

Assignor will for any of the registered Trademarks, at any time and from time to time, upon request of Assignee and at Assignee's sole expenses, do, execute, acknowledge, and deliver all such further acts and deeds, assignments, instruments of transfer or conveyance, registrations for assignments, powers of attorney and assurances as may be required for the assigning, assuring and confirming to Assignee, or to its successors and assigns, or for aiding and assisting in collecting and reducing to possession, the registered Trademarks, and that may be necessary or desirable for obtaining, sustaining, reissuing, or enforcing Trademarks in the United States and throughout the world, and for perfection, recording, or maintaining the title of Assignee, its successors and assigns, of said registered Trademarks in the United States and throughout the world including, without limitation, upon request by Assignee to execute and cause its current or former employees or contractors to execute, as applicable, all applications and any further assignments or other documents or instruments, sign all lawful papers, and make all rightful oaths necessary or desirable to carry out the purposes or intent of this Assignment Agreement.

Assignor represents and warrants that it has good, valid and marketable title to the registered Trademarks and that it has the full right to convey the interests herein assigned. Assignor further represents and warrants that it has not granted and will not grant to others any rights inconsistent with the rights granted herein.
