5.3 Each Patent of Debtor identified on Schedule B hereto is subsisting and has not been adjudged unpatentable, invalid or unenforceable, in whole or in part, and to the knowledge of Debtor is patentable, valid and enforceable, and each of such Patent applications has been filed in conformity with applicable rules and procedures of the Patent and Trademark Office and of the equivalent agencies in each applicable foreign jurisdiction and will be diligently prosecuted in conformity therewith so as not to become improperly abandoned.

6.3 Each Trade Secret identified on Schedule D is validly subsisting and has not been abandoned or adjudged invalid, or unenforceable, in whole or in part, and is, to Debtor's knowledge, valid, and enforceable.

7. **Covenants.** Debtor covenants and agrees as follows:

7.1 Anything herein to the contrary notwithstanding, Debtor will remain liable under the Collateral to observe and perform all the conditions and obligations to be observed and performed by Debtor thereunder, all in accordance with and pursuant to the terms and provisions thereof.

- 7.2 Debtor will furnish to Secured Party within three months of acquiring or becoming aware of such ownership interest, and not less frequently than upon each anniversary of execution of this Agreement, statements and schedules identifying and describing any change, including but not limited to additions and/or deletions in the Collateral, and such other reports in connection with the Collateral as Secured Party may reasonably request, all in reasonable detail, and includes a detailed explanation of any deletions therefrom.
- 7.3 Debtor (either itself or through its licensees) will: (a) continue to properly use and maintain each Trademark that is material to Debtor's business in full force and free from any claim of abandonment for non-use, (b) maintain, as in the past, the quality of products and services offered under such Trademark, (c) employ such Trademark with the appropriate notice of application or registration, and (d) not, and not permit any licensee or sublicensee thereof to, do any act or knowingly omit to do any act whereby such Trademark may become invalidated.
- 7.4 Debtor will not do any act, or omit to do any act, whereby any Patent or Copyright may become abandoned, part of the public domain or otherwise unenforceable.
- 7.5 Debtor will notify Secured Party immediately if Debtor knows or has reason to know that any application or registration relating to any Patent, Copyright, Trademark, or Trade Secret, and any intellectual property that may be subject to a license, may become abandoned, invalid, or otherwise unenforceable, or of any adverse determination or development, including but not by way of limitation, the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office or Copyright Office or any court, regarding the ownership of any part of the Collateral, its right to register the same, or to keep, use, enforce and/or maintain the same.
- 7.6 If at any time after the date of this Agreement, Debtor obtains rights to any new or additional Collateral, or becomes entitled to the benefit of any application or registration for any re-issue, division, re-examination, continuation-in-part, continuation, renewal or extension of any Collateral or any improvements, adaptations or derivations on any Collateral, the provisions of this Agreement will automatically apply thereto and Debtor will give to Secured Party prompt written notice thereof. Debtor authorizes Secured Party to modify this Agreement by adding from time to time an Exhibit B, which Exhibit B will include any such future Collateral and applications, and Debtor will execute and deliver to Secured Party from time to time such supplemental assignments or other instruments as Secured Party may desire for the purpose of confirming and perfecting Secured Party's interest in such Collateral. In no event will Debtor, either itself or through any agent, employee, licensee or designee, file an application for the issuance of any patent or the registration of any trademark with the United States Patent and Trademark Office, or for any copyright registration with the United States Copyright Office, or any office or agency of the United States or any State thereof or of any other country or any political subdivision thereof, or enters into any license, unless it promptly informs Secured Party, and, upon request of Secured Party, executes and delivers any and all agreements, instruments, documents, and papers as Secured Party may request to evidence and perfect Secured Party's security interest in such Collateral for which registration has been applied and the good will and other intellectual property and related general intangibles of Debtor relating thereto or represented thereby, and Debtor hereby constitutes Secured Party as its attorney-in-fact to execute and file all such writings for the foregoing purposes, all acts of such attorney being hereby ratified and confirmed;

such power being coupled with an interest and irrevocable until the Obligations are indefeasibly paid in full and this Agreement is terminated.

- 7.7 Debtor will take all necessary steps, including, without limitation, in any proceeding before the United States Patent and Trademark Office, the United States Copyright Office or any appropriate office or agency in any state or in any other country or any political subdivision thereof, to maintain and pursue each application (and to obtain the relevant registration) and to maintain each registration of the Collateral, including, without limitation, filing of applications for renewal, payment of maintenance fees, affidavits of use, affidavits of incontestability and opposition, interference and cancellation proceedings.
- 7.8 If any of the Collateral is infringed, misappropriated, diluted or otherwise used or returned without authorization by a third party, Debtor will promptly notify Secured Party after Debtor learns thereof and will take such actions as Secured Party will reasonably deem appropriate under the circumstances to protect such Collateral.
- 7.9 Debtor, at its sole cost and expense, will (a) appear in and defend any action arising out of, or in any manner connected with, any of the Collateral or the obligations or liabilities of Debtor thereunder, (b) continue to use consistent standards of quality in its manufacture of products sold under the Collateral and will allow Secured Party by its agents to inspect such products and quality control records relating thereto to ensure Debtor's compliance with such quality standards, and (c) allow Secured Party by its agents reasonable access to the books and records of Debtor relating to the Collateral.
- 7.10 Debtor will not (a) sell, assign, pledge or otherwise transfer or encumber all or any part of its interest in any of the Collateral, (b) grant any license under any of the Collateral (other than licenses to marketing and distribution agents in the ordinary course of business consistent with past practices), or (c) enter into any agreement which is inconsistent with Debtor's obligations under this Agreement; provided that Debtor may license the Collateral (i) in the ordinary course of Debtor's business, if and only if such license is necessary or desirable in the conduct of Debtor's business; or (ii) in connection with a sale of assets expressly permitted in the Loan Agreement, if and only if such license is on terms reasonably expected to maximize the gain to Debtor resulting from the granting of such license. Secured Party will execute any documents that Debtor may reasonably require in order to permit Debtor to exercise its rights hereunder to license the Collateral; provided that in no event will Secured Party be required to do anything that may, in the sole judgment of Secured Party, result in adversely affecting the lien granted hereunder or the assignment of the Collateral located in any foreign jurisdiction.
8. **Payment of Expenses by Secured Party.** At its option, Secured Party may discharge taxes, liens, security interests or such other encumbrances as may attach to the Collateral, may pay for the maintenance and preservation of the Collateral, as reasonably determined by Secured Party to be necessary. Debtor will reimburse Secured Party on demand for any payment so made or any expense incurred by Secured Party pursuant to the foregoing authorization, and the Collateral also will secure any advances or payments so made or expenses so incurred by Secured Party.
9. **Collections.** After the occurrence of an Event of Default, as defined below, if directed by Secured Party, whenever Debtor receives any payment with respect to any of the Collateral it will hold such payment in trust for Secured Party and forthwith will deliver to Secured Party the same

in the form received by Debtor without commingling with any funds belonging to Debtor, and promptly will deposit the same in a special collateral account with Secured Party.

10. **Notification of Third Parties.** Secured Party, at any time after the occurrence of an Event of Default, and without notice to Debtor, may notify any persons who are indebted to Debtor with respect to any Collateral of the assignment thereof to Secured Party and may direct such persons to make payment directly to Secured Party of the amounts due. At the request of Secured Party after the occurrence of an Event of Default, Debtor will direct any persons who are indebted to Debtor with respect to any Collateral to make payment directly to Secured Party. Secured Party is authorized to give receipts to such persons for any such payments and such persons will be protected in making such payments to Secured Party.
11. **Execution of Appropriate Documentation with Respect to Collateral.** With respect to any and all of the Collateral, Debtor agrees to do and cause to be done all things necessary or appropriate to perfect, maintain the priority of and keep in full force and effect the security interest granted by Debtor to Secured Party, including, but not limited to, the prompt payment upon demand therefor by Secured Party of all fees and expenses (including documentary stamp, excise or intangibles taxes) incurred in connection with the preparation, delivery, or filing of any document or the taking of any action deemed necessary or appropriate by Secured Party to perfect, protect, or enforce a security interest in any of the Collateral for the benefit of Secured Party, subject only to the liens to which Secured Party has specifically consented in writing. All amounts not so paid when due will be added to the Obligations and (in addition to other rights and remedies resulting from such non-payment) will bear interest from the date of demand until paid in full at the highest rate of interest provided for in the Note. Debtor also authorizes Secured Party to file one or more financing statements, as deemed necessary or desirable by Secured Party (including but not limited to any correction statements as set forth more fully in UCC Section 9-518), which financing statements lists or otherwise describes the Collateral as consisting of all of Debtor's assets or words to that effect, regardless of the actual description of the Collateral set forth in this Agreement. Debtor hereby ratifies any filing by Secured Party that predates the date of this Agreement but that was intended to perfect the security interest granted hereby.
12. **Receivers.** Upon or at any time after the occurrence of an Event of Default, Secured Party may obtain the appointment of a receiver of the Collateral. Such appointment may be made without notice, and without regard to (i) the solvency or insolvency, at the time of application for such receiver, of the person or persons, if any, liable for the payment of the Obligations; and (ii) the value of the Collateral at such time. Such receiver will have the power to take possession, control and care of the Collateral and to collect all accounts resulting therefrom. Notwithstanding the appointment of any receiver, trustee, or other custodian, Secured Party will be entitled to the possession and control of any cash, or other instruments at the time held by, or payable or deliverable under the terms of this Security Agreement to Secured Party.
13. **Default.**
 - 13.1 An Event of Default shall occur (herein referred to as an "Event of Default") if (i) Debtor breaches any of the terms hereof, or (ii) any Event of Default (as defined in any of the documents evidencing any of the Obligations) occurs, including without limitation, a default under the Note or a termination of the License Agreement. Upon an Event of Default, Secured Party may exercise any one or more of the rights and remedies granted pursuant to this Agreement or given to a secured party under applicable law, as it may be amended from time to time, including but not limited to: (i) the right to take possession and sell, lease or otherwise dispose of the Collateral; (ii) at its option, operate, use or

exercise any rights of ownership pertaining to the Collateral as Secured Party deems necessary to preserve the value and receive the benefits of the Collateral; (iii) exercise any and all rights and remedies of Debtor under, in connection with, or otherwise in respect of, such Collateral, including the completion and filing of the IP Assignment; and (iv) license such Collateral or any part thereof. Upon the occurrence of an Event of Default, Secured Party may, so far as Debtor can give authority therefor, enter upon any premises on which the Collateral or any part thereof may be situated and take possession of and remove the same therefrom. Secured Party may require Debtor to make the Collateral available to Secured Party at a place to be designated by Secured Party that is reasonably convenient to both parties.

- 13.2** Debtor further agrees that, in the event of any disposition of the Collateral upon an Event of Default, Debtor will duly execute, acknowledge and deliver all documents necessary or advisable to record title to the Collateral in any transferee or transferees thereof, including, without limitation, valid, recordable assignments of registrations and/or applications for registration of all Trademarks, Copyrights, Patents and Trade Secrets. Debtor hereby irrevocably appoints Secured Party as its attorney-in-fact, with full power of substitution, to execute, deliver, and record such documents on Debtor's behalf upon the occurrence of an Event of Default. For the purposes of enabling Secured Party to exercise its rights and remedies upon an Event of Default, Debtor hereby grants to Secured Party an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to Debtor) to use, assign, license or sublicense any of the Collateral, now owned or hereafter acquired by Debtor, and wherever the same may be located.
- 13.3** The net proceeds arising from the disposition of the Collateral after deducting expenses incurred by Secured Party will be applied to the Obligations in the order determined by Secured Party. If any excess remains after the discharge of all of the Obligations, the same will be paid to Debtor or as required by law. If after exhausting all of the Collateral, there should be a deficiency, Debtor will be liable therefor to Secured Party; provided, however, that nothing contained herein will obligate Secured Party to proceed against the Collateral prior to making a claim against Debtor or any other party obligated under the Obligations or prior to proceeding against any other collateral for the Obligations.
- 13.4** Whenever notice is required by law to be sent by Secured Party to Debtor of any sale, lease or other disposition of the Collateral, five days written notice sent to Debtor's address set forth herein for notices will be reasonable.
- 13.5** The rights and remedies provided herein are cumulative and are not exclusive of any other rights or remedies provided by applicable law.
- 14. Enforcement Actions.** To the extent permitted by applicable law, Secured Party may, but will in no way be obligated to, bring suit in its own name to enforce the Collateral and any license thereunder. If Secured Party elects to bring any such suit in its own name, Debtor will at the request of Secured Party do any and all lawful acts and execute any and all proper documents required by Secured Party in aid of such enforcement, including but not limited to joining with Secured Party in the commencement and maintenance of such suit, and agreeing to be named as a party therein, and Debtor will promptly, upon demand, reimburse and indemnify Secured Party for all costs and expenses incurred by Secured Party in the exercise of its rights under this Section.

15. **Secured Party's Duties.** The powers conferred on Secured Party hereunder are solely to protect the interest of Secured Party in the Collateral and will not impose any duty upon Secured Party to exercise any such powers. Except for the same custody of any Collateral in Secured Party's possession and the accounting for moneys actually received by Secured Party hereunder, Secured Party will have no duty as to any Collateral or as to the taking of any necessary steps to preserve rights against other parties or any other rights pertaining to any Collateral. Secured Party will be deemed to have exercised reasonable care in the custody and preservation of the Collateral in its possession if such Collateral is accorded treatment substantially equal to that which Secured Party accords its own similar property.
16. **Obligations, Indemnifications, and Expenses.** If Debtor fails to comply with any of its obligations hereunder, Secured Party may, but will not be obligated to, do so at the expense of Debtor. To the extent that Secured Party incurs any costs or expenses in protecting or enforcing its rights in the Collateral or observing or performing any of the conditions or obligations of Debtor hereunder, including but not limited to reasonable attorneys' fees and the costs and expenses of litigation, such costs and expenses will be due on demand, will be included in the indebtedness secured hereby and will bear interest from the incurring or payment thereof at the highest rate of interest specified in the Note. Debtor will indemnify and hold Secured Party harmless against (a) all expenses, liabilities, losses and damages that Secured Party may incur under the Collateral or under or by reason of this Agreement, and (b) all claims and demands whatsoever that may be asserted against Secured Party by reason of this Agreement or any act of Secured Party under this Agreement or under any of the Collateral.
17. **Secured Party's Power of Attorney.** Debtor hereby irrevocably constitutes and appoints Secured Party, and any officer thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of Debtor or in its name, from time to time in Secured Party's discretion for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Agreement and, without limiting the generality of the foregoing, Debtor hereby gives Secured Party the power and right, on behalf of Debtor, either before or after an Event of Default, and without notice to or assert by Debtor, to do the following:
- 17.1 to receive payment of, endorse, and receipt for, any and all monies, claims and other amounts due and to become due at any time in respect of or arising out of the Collateral;
- 17.2 to commence and prosecute any suits, actions or proceeding at law or in equity in any court of competent jurisdiction to collect any of the Collateral and to enforce any other right in respect of the Collateral;
- 17.3 to settle, compromise or adjust any suit, action or proceeding described above, and, in connection therewith, to give such discharges or releases as Secured Party may deem appropriate;
- 17.4 to execute, in connection with the sale provided for in Section 14 hereof, any endorsement, assignments or other instruments of conveyance or transfer with respect to the Collateral; and
- 17.5 generally to sell, transfer, pledge, make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though Secured Party were the absolute owner thereof for all purposes, and to do, at Secured Party's option, at any time,

or from time to time, all acts and things which Secured Party deems necessary to protect or preserve the Collateral and Secured Party's security interest and rights therein in order to effect the intent of this Agreement, all as fully and effectively as Debtor might do.

Debtor hereby ratifies all that such attorneys will lawfully do or cause to be done by virtue hereof. This power of attorney is a power coupled with an interest, will be irrevocable and will terminate only upon payment in full of the Obligations and the termination of all financing arrangements relating thereto and this Agreement. The powers conferred upon Secured Party hereunder are solely to protect Secured Party's interests in the Collateral and will not impose any duty upon it to exercise any such powers. Secured Party will have no obligation to preserve any rights of any third parties in the Collateral or to perform any duties or obligations of any Debtor under or with respect to any of the Collateral. Secured Party will be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither it, any of its affiliates nor any of its agents will be responsible to Debtor for any action taken or omitted to be taken in good faith or in reliance on the advice of counsel except for its own gross negligence or willful misconduct.

18. General.

18.1 Waiver.
