TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT, dated as of January 18, 2023 (this “Agreement”), is made by CARIS MPI, INC., a Texas corporation, CARIS SCIENCE, INC., a Texas corporation, and CARIS THERAPEUTICS, INC., a Texas corporation (each, a “Grantor” and collectively, the “Grantors”), in favor of WILMINGTON TRUST, NATIONAL ASSOCIATION, a national banking association organized and existing under the laws of the United States of America (together with its Affiliates, successors, transferees and assignees, the “Administrative Agent”), as Administrative Agent for the Secured Parties.

W I T N E S S E T H :

WHEREAS, pursuant to the Credit Agreement, dated as of January 18, 2023 (as amended, supplemented or otherwise modified from time to time, the “Credit Agreement”), by and among Caris Life Sciences, Inc., a Texas corporation (the “Borrower”), the Lenders (as defined therein) and the Administrative Agent, the Lenders have extended Commitments to make Loans to the Borrower;

WHEREAS, in connection with the Credit Agreement, the Grantors and their Affiliates have executed and delivered a Pledge and Security Agreement in favor of the Administrative Agent, for the benefit of the Secured Parties, dated as of January 18, 2023 (as amended, supplemented or otherwise modified from time to time, the “Security Agreement”);

WHEREAS, pursuant to the Credit Agreement and pursuant to clause (b) of Section 4.5 of the Security Agreement, the Grantors are required to execute and deliver this Security Agreement and to grant to the Administrative Agent, for the benefit of the Secured Parties, a continuing security interest in all of the Trademark Collateral (as defined below) to secure all of the Obligations; and

WHEREAS, each Grantor has duly authorized the execution, delivery and performance of this Security Agreement;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees, for the benefit of the Secured Parties, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Security Agreement, including its preamble and recitals, have the meanings provided (or incorporated by reference) in the Security Agreement.

SECTION 2. Grant of Security Interest. Each Grantor hereby grants to the Administrative Agent, for the benefit of the Secured Parties, a continuing security interest in all of such Grantor’s right, title and interest in and to the Trademark registrations and applications referred to in Schedule I attached hereto, excluding Trademark applications filed in the United States Patent and Trademark Office on the basis of such Grantor’s “intent to use” such trademark, unless and until acceptable evidence of use of the Trademark has been filed with the United States Patent and Trademark Office pursuant to Section 1(c) or Section 1(d) of the Lanham Act (15 U.S.C. 1051, et seq.) (the “Trademark Collateral”).

SECTION 3. Security Agreement. This Agreement has been executed and delivered by the Grantors for the purpose of registering the security interest of the Administrative Agent in the Trademark Collateral with the United States Patent and Trademark Office. The security interest granted hereby has been granted in furtherance of, and not in limitation of, the security interest granted to the Administrative Agent for the benefit of the Secured Parties under the Security Agreement. The Security Agreement (and all rights and remedies of the Secured Parties thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Release of Liens. The security interests granted herein in such Trademark Collateral shall terminate and be released in accordance with Section 7.5 of the Security Agreement.

SECTION 5. Acknowledgment. Each Grantor does hereby further acknowledge and affirm that the rights and remedies of the Secured Parties with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

SECTION 6. Loan Document. This Agreement is a Loan Document executed pursuant to the Credit Agreement and shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions thereof, including Article X thereof.

SECTION 7. Effectiveness. This Agreement shall become effective when a counterpart hereof executed by each Grantor shall have been received by the Administrative Agent. Delivery of an executed counterpart of a signature page to this Security Agreement by email (e.g., "pdf" or "tiff") or telecopy shall be effective as delivery of a manually executed counterpart of this Security Agreement.

[Signature Page Follows]

IN WITNESS WHEREOF, each Grantor hereto has caused this Agreement to be duly executed and delivered by its Authorized Officer as of the date first above written.

CARIS SCIENCE, INC.
CARIS MPI, INC.
CARIS THERAPEUTICS, INC.
each, as a Grantor
