TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT, dated as of January 19, 2023 (“Trademark Security Agreement”), made by each of the signatories hereto (together with any other entity that may become a party hereto as provided herein, the “Trademark Grantors”), is in favor of Wells Fargo Bank, National Association, as collateral agent (in such capacity, including any successors thereto, the “Agent”) for the Secured Parties.

W I T N E S S E T H:

WHEREAS, the Trademark Grantors are party to a Security Agreement dated as of January 19, 2023 (as amended, restated, supplemented or otherwise modified from time to time, the “Security Agreement”; capitalized terms used but not otherwise defined herein shall have the meanings given to them in the Security Agreement) in favor of the Agent, pursuant to which the Trademark Grantors are required to execute and deliver this Trademark Security Agreement;

WHEREAS, pursuant to the terms of the Security Agreement, each Trademark Grantor has created in favor of the Agent, on behalf of the Secured Parties, a security interest in, and the Agent has become a secured creditor with respect to, the Trademark Collateral (as defined below);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each of the Trademark Grantors does hereby pledge, convey, sell, assign, transfer and set over unto the Agent and grant to the Agent, for the benefit of the Secured Parties, a continuing security interest in all of the following property now owned or at any time hereafter acquired by such Trademark Grantor or in which such Trademark Grantor now has or at any time in the future may acquire any right, title or interest (the “Trademark Collateral”), to secure the payment, performance and observance of the Secured Obligations (as defined in the Security Agreement);

(a) all Trademarks of such Trademark Grantor, including, without limitation, the registered and applied-for Trademarks of such Trademark Grantor listed on Schedule 1 attached hereto, specifically excluding any U.S. intent-to-use trademark application prior to the filing and acceptance of a verified statement of use or an amendment to allege use with the United States Patent and Trademark Office with respect thereto;

(b) to the extent not covered by clause (a), all Proceeds of any of the foregoing;

(c) to the extent not covered by clause (a), the goodwill of the businesses with which the Trademarks are associated; and

(d) to the extent not covered by clause (a), all causes of action arising prior to or after the date hereof for infringement of any of the Trademarks or unfair competition regarding the same;

provided, that (i) this Trademark Security Agreement shall not constitute a grant of a security interest in any property to the extent that and for as long as such grant of a security interest would be prohibited by the terms of the Security Agreement, including, without limitation, any Trademark applications filed on the basis of a Trademark Grantor’s intent-to-use such mark, unless and until evidence of the use of such Trademark in interstate commerce is submitted to and accepted by the United States Patent and Trademark Office, but only if and to the extent that the granting of a security interest in such application would result in the invalidation of such application; and (ii) the security interest granted hereby (x) shall attach at all times to all proceeds of such property, (y) shall attach to such property immediately and automatically (without need for any further grant or act) at such time as the condition described in

clause (i) ceases to exist and (z) to the extent severable, shall in any event attach to all rights in respect of such property that are not subject to the applicable condition described in clause (i).

The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with security interest granted to the Agent pursuant to the Security Agreement and the Trademark Grantors hereby acknowledge and affirm that the rights and remedies of the Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern.

Each Trademark Grantor hereby authorizes this Trademark Security Agreement to be recorded with the United States Patent and Trademark Office and any similar office or agency in any other country or political subdivision thereof.

THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO THE CONFLICTS OF LAWS PRINCIPLES THEREOF, BUT INCLUDING SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW.

This Trademark Security Agreement may be executed by one or more of the parties to this Trademark Security Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Delivery of an executed signature page of this Trademark Security Agreement by facsimile transmission or other electronic transmission shall be effective as delivery of a manually executed counterpart hereof. A copy of this Trademark Security Agreement signed by all parties shall be delivered to the Agent.
