TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this “Assignment”) is entered into this 29th day of April, 2022, by and between DEVOTO-WADE, LLC D/B/A GOLDEN STATE CIDER, a California limited liability company (“Assignor”), and APPLE CART CIDER, LLC, a Delaware limited liability company (“Assignee”).

WHEREAS, Assignor is the sole and exclusive owner of certain trademarks as set forth on Attachment A attached hereto, for which it has either procured a U.S. federal registration or accrued certain rights through usage (collectively, the “Trademarks”), and further is the sole and exclusive owner of all business goodwill related therewith and symbolized thereby (the “Territory”);

WHEREAS, Assignee, as successor to the Assignor’s business, or to the portion of Assignor’s business to which said marks pertain is desirous to acquire from Assignor all of its rights, title and interest in such Trademarks and all business goodwill related therewith;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:

1. Assignment. Assignor hereby assigns, transfers, conveys and grants to Assignee, its successors, assigns and legal representatives forever, Assignor’s entire right, title and interest in and to such Trademarks throughout the world in perpetuity, together with the goodwill associated therewith, and any and all of Assignor’s other rights, privileges and priorities provided under state and federal law of the United States, and under the laws of any and all foreign jurisdictions with respect to the Trademarks, including without limitation, Assignor’s common law rights and rights under the laws of unfair competition, and any and all rights of action at law and suits in equity to recover for past infringements of the Trademarks currently known to Assignor as of the date hereof or that may become known after the date of this Assignment (the “**Transferred Rights**”), and any and all of Assignor’s rights to obtain renewals, reissues, and extensions for such Trademarks upon registration of such Trademarks throughout the world, or other legal protections pertaining to the Transferred Rights.

Assignor hereby authorizes the Commissioner for Trademarks of the US Patent and Trademark Office to record Assignee as the Assignee and owner of said marks.

2. Further Assurances. Assignor covenants that it will, at any time and from time to time within a reasonable period of time following Assignee’s prior written request therefor, at Assignee’s sole expense and without the assumption of any additional liability therefor, execute and deliver to Assignee, and its successors and assigns, any new or confirmatory instruments and take such further acts as Assignee may reasonably request to fully evidence the assignment and/or sale contained herein.

3. Successors. The provisions of this Assignment are binding upon, and inure to the benefit of, the successors and assigns of Assignor and Assignee, respectively.

4. Counterparts. This Assignment may be executed in any number of counterparts, each of which will be deemed an original, but all of which when taken together constitutes one and the same instrument. The signature page of any counterpart may be detached therefrom without impairing the legal effect of the signature(s) thereon, provided such signature page is attached to any other counterpart identical thereto except having additional signature pages executed by other parties to this Assignment attached thereto.
