## TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (this "Assignment"), dated as of November 1, 2022 (the "Effective Date"), is by and between DuPont Electronics, Inc., a Delaware corporation with address of 974 Centre Road, Bldg. 730, Wilmington, DE 19805 ("Assignor") and Du Pont China Limited, a Delaware corporation with address of Building 304, Experimental Station, 200 Powder Mill Rd., Wilmington, DE 19803 ("Assignee"), and each of Assignor and Assignee a "Party" and collectively, the "Parties").

**WHEREAS**, Assignor owns the trademark applications and registrations set forth on **Schedule A** hereto (the foregoing, including all trademarks issuing from any such trademark applications, collectively, the "Assigned Trademarks"); and

**WHEREAS**, the Parties hereto agree that Assignor contribute, transfer, assign and convey to Assignee all of its right, title and interest in and to the Assigned Trademarks and that Assignee accept such contribution, transfer, assignment and conveyance of such Assigned Trademarks;

**NOW, THEREFORE**, in consideration of the foregoing and the mutual covenants and agreements contained in this Assignment and for other good and valuable consideration, including the payment of ten dollars (\$10.00), the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

1. Conveyance. Assignor hereby irrevocably assigns, transfers and conveys to Assignee all of Assignor's right, title and interest in, to and under the Assigned Trademarks, including all goodwill, common law rights, rights of priority and renewals to the extent associated therewith, and all rights and remedies (i) against past, present and future infringement, dilution or other violation thereof, including the right to enforce the foregoing and to sue for and recover profits, damages, injunctions and obtain other equitable relief for any and all infringements, dilutions or other violations thereof, whether past, present or future, (ii) to collect royalties, income, fees, damages, proceeds and other payments now or hereafter due or payable with respect to such Assigned Trademarks, (iii) to claim priority based on such Assigned Trademarks under the laws of any jurisdiction and/or under international conventions and treaties, and (iv) to prosecute, register, maintain, revive, renew, and defend such Assigned Trademarks before any public or private agency, office or registrar; for each of the foregoing clauses (i) through (iv), to the full end of the term or terms for which said trademarks may be granted throughout the world, as fully and entirely as the same would have been held and enjoyed by Assignor without this assignment, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives (the rights transferred under this Section 1 cumulatively, the "Assigned Rights").

2. Recordation; Further Assurances. Assignor and Assignee shall each take any and all additional actions as may be reasonably requested by the other Party to effect the transactions contemplated hereby, including Assignor's execution of individual assignment documentation prepared by Assignee for filing with the applicable authorities of an applicable country, at

Assignee's expense. The Parties agree that any such assignment documentation shall give no greater rights or remedies than those provided for herein. As between the Parties, the responsibility to file assignments with the national trademark offices of each country for the Assigned Trademarks shall be on the Assignee. Assignor hereby authorizes Assignee and its representatives to record this Assignment as may be necessary to support the transfer from Assignor to Assignee, filing, prosecution, maintenance, defense, ownership, enforcement, or collection of infringement damages in connection with the Assigned Rights, and further authorizes the Assignee and its representatives to accurately translate this Assignment into any language necessary or desirable for such purposes.

3. Prosecution and Maintenance. For the avoidance of doubt but without limiting the obligations set forth in Section 2 hereof, as of and following the Effective Date, Assignor will have no responsibility to take any action to maintain any of the Assigned Trademarks or further prosecute or seek issuance of any trademark applications included in the Assigned Trademarks, including payment of fees, responses to any office action or other inquiries from agents of governmental entities or registrars, or otherwise.

4. Disclaimer of Representations and Warranties. The Parties acknowledge and agree that, except as expressly set forth in another written agreement between the Parties, all of the Assigned Trademarks and other Assigned Rights are to be provided as-is, where-is and on a "with all faults" basis, and Assignee assumes all risk and liability arising from or relating to its use thereof and reliance thereon. EXCEPT AS EXPRESSLY SET FORTH IN ANOTHER WRITTEN AGREEMENT BETWEEN THE PARTIES, EACH PARTY MAKES NO, AND HEREBY EXPRESSLY DISCLAIMS ALL, REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE ASSIGNED TRADEMARKS AND THE OTHER ASSIGNED RIGHTS, AS TO ANY CONSENTS OR APPROVALS (INCLUDING APPROVALS FROM ANY GOVERNMENTAL ENTITIES) REQUIRED IN CONNECTION HERewith OR THEREWITH, AS TO THE VALUE OR FREEDOM FROM ANY SECURITY INTERESTS OF OR THE NON-INFRINGEMENT OR ABSENCE OF OTHER VIOLATION, VALIDITY OR ENFORCEABILITY OR ANY OTHER MATTER CONCERNING THE ASSIGNED TRADEMARKS AND OTHER TRADEMARKS AND TRADEMARK APPLICATIONS INCLUDED IN THE ASSIGNED RIGHTS.

5. Successors and Assigns. The provisions of this Assignment and the obligations and rights hereunder shall be binding upon, inure to the benefit of and be enforceable by (and against) the Parties and their respective successors and permitted transferees and assigns.

6. Counterparts. This Assignment may be executed and delivered (including by facsimile or other means of electronic transmission, such as by electronic mail in "pdf" form) in more than one counterpart, all of which shall be considered one and the same agreement, each of which when executed shall be deemed to be an original, and shall become effective when one or more such counterparts have been signed by each of the Parties and delivered to each of the Parties.

7. Title and Headings. Titles and headings to sections herein are inserted for the convenience of reference only and are not intended to be a part of or to affect the meaning or interpretation of this Assignment.

8. Governing Law. This Assignment and any dispute arising out of, in connection with or relating to this Assignment shall be governed by and construed in accordance with the Laws of the State of Delaware, without giving effect to the conflicts of laws principles thereof.

*[Signature Page Follows]*

IN WITNESS WHEREOF, Assignor and Assignee have duly executed this Assignment as of the date first written above.

ASSIGNOR:

DUPONT ELECTRONICS, INC.

By:   
Name: Jessica Sinnott  
Title: Associate General Counsel -- IP  
Date: November 8, 2022

ASSIGNEE:
