WHEREAS, Assignee and its affiliates intend to carry out a restructuring and integration of its businesses (the "Restructuring"); in part, through the consolidation of certain subsidiaries and distribution centers;

WHEREAS, the Restructuring is intended to, among other benefits, improve customer interaction through consolidated legal entities; simplify corporate and operational processes and systems; and facilitate orderly expansion;

WHEREAS, Assignor owns certain registered and unregistered trademarks and service marks, together with all common law rights therein, and all goodwill associated therewith;

(b) all registered and unregistered trade names and "doing business as" names owned by Assignor in any jurisdiction and any trademark rights therein and the goodwill connected with the use of and symbolized thereby, together with all registrations and applications of Assignor and all issuances, extensions and renewals thereof, including the trade names set forth in the attached Schedule 2 (collectively, the "Trade Names");

(c) all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world;

(d) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(e) any and all claims and causes of action in any jurisdiction, with respect to any

of the foregoing, whether accruing before, on and/or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation and Further Actions.
