WHEREAS, pursuant to that certain Debtor-in-Possession Revolving Credit and Security Agreement (as amended, restated, amended and restated, modified or supplemented from time to time, the "**Agreement**") of even date herewith by and among Invacare Corporation, an Ohio corporation, and each of the other Borrowers now or hereafter party thereto, each of the Guarantors now or hereafter party thereto, each of the Lenders (all as defined in the Agreement) now or hereafter party thereto, and the Agent, the Agent and the Lenders have agreed to provide certain loans and grant other financial accommodations to the Loan Parties (as defined in the Agreement), and the Pledgors have agreed, among other things, to grant a security interest to the Agent in certain patents, trademarks, copyrights and other property as security for such loans and other obligations as more fully described herein.

NOW, THEREFORE, intending to be legally bound hereby, the parties hereto agree as follows:

1. Defined Terms.

(a) Except as otherwise expressly provided herein, (i) capitalized terms used in this Pledge Agreement shall have the respective meanings assigned to them in the Agreement, and (ii) the rules of construction set forth in **Section 1.4** of the Agreement shall apply to this Agreement. Where applicable and except as otherwise expressly provided herein, terms used herein (whether or not capitalized) shall have the respective meanings assigned to them in the Uniform Commercial Code as enacted in the State of New York, as amended from time to time (the "**Code**").

(b) "Debt" shall mean and include the following: (i) all now existing and hereafter arising Obligations of the Loan Parties (and, with respect to Cash Management Products and Services, Subsidiaries of the Loan Parties) to the Agent, the Lenders, or any provider of a Lender-Provided Foreign Currency Hedge, Lender-Provided Interest Rate Hedge or any provider of Cash Management Products and Services under the Agreement or the Other Documents, including all obligations, liabilities, and indebtedness, whether for principal, interest, fees, expenses or otherwise, of the Pledgors to the Agent, the Lenders, or any obligation in connection with any Lender-Provided Foreign Currency Hedge, Lender-Provided Interest Rate Hedge or any provider of Cash Management Products and Services, now existing or hereafter incurred under the Agreement, the Notes, the Guaranty or any of the Other Documents as any of the same or any one or more of them may from time to time be amended, restated, amended and restated, modified, or supplemented, together with any and all extensions, renewals, refinancings, and refundings thereof in whole or in part (and including obligations, liabilities, and indebtedness

arising or accruing after the commencement of any bankruptcy, insolvency, reorganization, or similar proceeding with respect to the Loan Parties (and, with respect to Cash Management Products and Services, Subsidiaries of the Loan Parties), or which would have arisen or accrued but for the commencement of such proceeding, even if the claim for such obligation, liability or indebtedness is not enforceable or allowable in such proceeding, and including all obligations, liabilities and indebtedness arising from any extensions of credit under or in connection with the Agreement, the Other Documents, or any Lender-Provided Foreign Currency Hedge, Lender-Provided Interest Rate Hedge or Cash Management Products and Services from time to time, regardless whether any such extensions of credit are in excess of the amount committed under or contemplated by the Agreement, the Other Documents, or any Lender-Provided Foreign Currency Hedge, Lender-Provided Interest Rate Hedge or Cash Management Products and Services or are made in circumstances in which any condition to extension of credit is not satisfied); (ii) all reimbursement obligations of the Loan Parties (and, with respect to Cash Management Products and Services, Subsidiaries of the Loan Parties) with respect to any one or more Letters of Credit issued by the Issuer; (iii) all indebtedness, loans, obligations, expenses and liabilities of the Pledgors to the Agent or any of the Lenders, or any obligations incurred in connection with any Lender-Provided Foreign Currency Hedge, Lender-Provided Interest Rate Hedge or Cash Management Products and Services; and (iv) any sums advanced by the Agent or the Lenders or which may otherwise become due pursuant to the provisions of the Agreement, the Notes, this Agreement, or any of the Other Documents or pursuant to any other document or instrument at any time delivered to the Agent in connection therewith, including commitment, letter of credit, agent or other fees and charges, and indemnification obligations under any such document or instrument, together with all interest payable on any of the foregoing, whether such sums are advanced or otherwise become due before or after the entry of any judgment for foreclosure or any judgment on the Agreement or the Other Documents or with respect to any default under any of the Debt.

(c) "Patents, Trademarks and Copyrights" shall mean and include all of each Pledgor's present and future right, title and interest in and to the following: all trade names, patent applications, patents, trademark applications, trademarks and copyrights, whether now owned or hereafter acquired by any Pledgor, including, without limitation, those listed on Schedule A hereto, including all proceeds thereof (such as, by way of example, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all reissues, divisions, continuations, renewals, extensions and continuations-in-part thereof, and the goodwill of the business to which any of the patents, trademarks and copyrights relate.

2. To secure the performance and payment in full of all Debt, each Pledgor hereby grants and conveys a security interest to the Agent in the entire right, title and interest of such Pledgor in and to all of its Patents, Trademarks and Copyrights.

3. Each Pledgor covenants and warrants that:

(a) except as would not cause a Material Adverse Effect, the Patents, Trademarks and Copyrights are subsisting and have not been adjudged invalid or unenforceable, in whole or in part;

(b) except as would not cause a Material Adverse Effect, to the best of such Pledgor's knowledge, each of the Patents, Trademarks and Copyrights is valid and enforceable;

(c) except as would not cause a Material Adverse Effect, such Pledgor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each of its Patents, Trademarks and Copyrights, free and clear of any liens, charges and encumbrances, including without limitation pledges, assignments, licenses, shop rights and covenants by such Pledgor not to sue third persons, other than Permitted Encumbrances;

(d) except as would not cause a Material Adverse Effect, no claim has been made to such Pledgor or, to the knowledge of such Pledgor, any other person that the use of any of the Patents, Trademarks and Copyrights does or may violate the rights of any third party;

(e) except as would not cause a Material Adverse Effect, such Pledgor has used, and except as otherwise permitted under the Agreement, will continue to use for the duration of this Agreement, consistent standards of quality in its manufacture of products sold under the Patents, Trademarks and Copyrights; and

(f) except as would not cause a Material Adverse Effect, such Pledgor has used, and except for those Patents, Trademarks and Copyrights that are hereafter allowed to lapse in accordance with Paragraph 11 hereof or in accordance with the Agreement, will continue to use for the duration of this Agreement, proper statutory notice in connection with its use of the Patents, Trademarks and Copyrights.

4. Subject to the Agreement, during the continuance of an Event of Default the Agent and the Lenders, or any of the them, may, in their sole discretion, elect to enforce this Agreement against any Pledgor without any duty or responsibility to pursue any other Pledgor and such an election by the Agent and the Lenders, or any of them, shall not be a defense to any action the Agent and the Lenders, or any of them, may elect to take against any Pledgor. Each of the Lenders and the Agent hereby reserve all right against each Pledgor.

5. Each Pledgor agrees that, until all of the Debt shall have been indefeasibly satisfied in full, all commitments to make Advances have terminated, and all Letters of Credit have expired or terminated, it will not enter into any agreement (for example, a license agreement) which is inconsistent with such Pledgor's obligations under this Agreement, without the Agent's prior written consent which shall not be unreasonably withheld, except such Pledgor may license technology (i) to other Loan Parties, (ii) in the ordinary course of business to suppliers and customers to facilitate the manufacture and use of such Pledgor's products without the Agent's consent, and (iii) as otherwise permitted under the Agreement.

6. If, before the Debt shall have been indefeasibly satisfied in full, the commitments to make Advances have terminated, and all Letters of Credit have terminated, any Pledgor shall own any new domestic trademarks or any new domestic copyrightable or patentable inventions, or any domestic patent application or patent for any reissue, division, continuation, renewal, extension, or continuation in part of any Patent, Trademark or Copyright or any domestic

improvement on any Patent, Trademark or Copyright, the provisions of this Agreement shall automatically apply thereto and such Pledgor shall give to the Agent notice in writing in the next following Officer's Certificate of any such future domestic patents, patent applications, trademark applications, statements of use or use or other change in the status of any intent-to-use trademark applications, trademark registrations, copyright applications and copyright registrations. The Pledgors and the Agent agree to modify this Agreement by amending Schedule A to include any future domestic patents, patent applications, trademark applications, statements of use or use or other change in the status of any intent-to-use trademark applications, trademark registrations, copyright registrations.

7. The Agent shall have, in addition to all other rights and remedies given it by this Agreement and those rights and remedies set forth in the Agreement, those allowed by Applicable Law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Patents, Trademarks and Copyrights may be located and, without limiting the generality of the foregoing, if an Event of Default has occurred and is continuing, the Agent may immediately, without demand of performance and without other notice (except as set forth below) or demand whatsoever to any Pledgor, all of which are hereby expressly waived, and without advertisement, sell at public or private sale or otherwise realize upon, in a city that the Agent shall designate by notice to such Pledgor, in Pittsburgh, Pennsylvania or elsewhere, the whole or from time to time any part of the Patents, Trademarks and Copyrights, or any interest which such Pledgor may have therein and shall apply such proceeds as provided in Section 11.5 of the Agreement. Notice of any sale or other disposition of the Patents, Trademarks and Copyrights shall be given to the Pledgors at least ten (10) days before the time of any intended public or private sale or other disposition of the Patents, Trademarks and Copyrights is to be made, which each Pledgor hereby agrees shall be reasonable notice of such sale or other disposition. At any such sale or other disposition, the Agent may, to the extent permissible under Applicable Law, purchase the whole or any part of the Patents, Trademarks and Copyrights sold, free from any right of redemption on the part of any Pledgor, which right is hereby waived and released.

8. If any Event of Default shall have occurred and be continuing, each Pledgor hereby authorizes and empowers the Agent to make, constitute and appoint any officer or agent of the Agent, as the Agent may select in its exclusive discretion, as such Pledgor's true and lawful attorney-in-fact, with the power to endorse such Pledgor's name on all applications, documents, papers and instruments necessary for the Agent to use the Patents, Trademarks and Copyrights, or to grant or issue, on commercially reasonable terms, any exclusive or nonexclusive license under the Patents, Trademarks and Copyrights to any third person, or necessary for the Agent to assign, pledge, convey or otherwise transfer title in or dispose, on commercially reasonable terms, of the Patents, Trademarks and Copyrights to any third Person. Each Pledgor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney, being coupled with an interest, shall be irrevocable for the life of this Agreement.

9. At such time as the Debt shall have indefeasibly been paid in full, and the commitments to make Advances shall have terminated and the Letters of Credit have expired or been terminated, this Agreement shall terminate and the Agent will thereafter, upon any

Pledgor's request and at such Pledgor's expense, execute and deliver to the applicable Pledgor all deeds, assignments and other instruments as may be necessary or proper to remove the Agent's security interest in the Patents, Trademarks and Copyrights, subject to any disposition thereof which may have been made by the Agent pursuant hereto.

10. Any and all fees, costs and expenses, of whatever kind or nature, including attorney's fees and expenses incurred by the Agent in connection with the preparation of this Agreement (including the allocated costs of staff counsel) and all other documents relating hereto and the consummation of this transaction, the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, counsel fees, maintenance fees, encumbrances, the protection, maintenance or preservation of the Patents, Trademarks and Copyrights, or the defense or prosecution of any actions or proceedings arising out of or related to the Patents, Trademarks and Copyrights, shall be borne and paid by the Pledgors within fifteen (15) days of demand by the Agent, and if not paid within such time, shall be added to the principal amount of the Debt and shall bear interest at the highest rate prescribed in the Agreement.

11. Each Pledgor shall have the duty, through counsel reasonably acceptable to the Agent, to prosecute diligently, consistent with its past practices, any patent applications of the Patents, Trademarks and Copyrights pending as of the date of this Agreement if commercially reasonable or thereafter until the Debt shall have been indefeasibly paid in full, the commitments to make Advances shall have terminated, and all of the Letters of Credit have expired or terminated, to make application on unpatented but patentable inventions (whenever it is commercially reasonable in the reasonable judgment of such Pledgor to do so) and to preserve and maintain all rights in patent applications and patents included in the Patents, Trademarks and Copyrights, including without limitation the payment of all maintenance fees. Any expenses incurred in connection with such an application shall be borne by the Pledgors. Except as permitted under the Agreement, no Pledgor may abandon any material Patent, Trademark or Copyright, if such would not be consistent with past practices, without the consent of the Agent, which shall not be unreasonably withheld.

12. Each Pledgor shall have the right, with the consent of the Agent, which shall not be unreasonably withheld, to bring suit, action or other proceeding in its own name, and to join the Agent, if necessary, as a party to such suit so long as the Agent is satisfied that such joinder will not subject it to any risk of liability, to enforce the Patents, Trademarks and Copyrights and any licenses thereunder. Each Pledgor shall promptly, upon demand, reimburse and indemnify the Agent for all damages, costs and expenses, including reasonable legal fees, incurred by the Agent as a result of such suit or joinder by such Pledgor.

13. No course of dealing between the Pledgors and the Agent, nor any failure to exercise nor any delay in exercising, on the part of the Agent, any right, power or privilege hereunder or under the Agreement or Other Documents shall operate as a waiver of such right, power or privilege, nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

14. All of the Agent's rights and remedies with respect to the Patents, Trademarks and Copyrights, whether established hereby or by the Agreement or by any other agreements or by Applicable Law, shall be cumulative and may be exercised singularly or concurrently.

15. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any clause or provision of this Agreement in any jurisdiction.

16. This Agreement is subject to modification only by a writing signed by the parties, except as provided in Paragraph 6.

17. The benefits and burdens of this Agreement shall inure to the benefit of and be binding upon the respective successors and permitted assigns of the parties in accordance with the Agreement, provided, however, that no Pledgor may assign or transfer any of its rights or obligations hereunder or any interest herein and any such purported assignment or transfer shall be null and void.

18. This Agreement shall be deemed to be a contract under the Laws of the State of New York and shall, pursuant to Section 5-1401 of the General Obligations Law of New York, for all purposes be governed by and construed and enforced in accordance with the Laws of the State of New York.

19. Each Pledgor hereby irrevocably submits to the nonexclusive jurisdiction of any federal or state courts in the State of New York in any action or proceeding arising out of or relating to this Agreement, and the Pledgors hereby irrevocably agree that all claims in respect of such action or proceeding may be heard and determined in such New York state or federal court. Each Pledgor hereby waives to the fullest extent it may effectively do so, the defense of an inconvenient forum to the maintenance of any such action or proceeding.

20. This Agreement may be executed in any number of counterparts, and by different parties hereto in separate counterparts, each of which, when so executed, shall be deemed an original, but all such counterparts shall constitute one and the same instrument. Each Pledgor acknowledges and agrees that a telecopy transmission to the Agent or any Lender of the signature pages hereof purporting to be signed on behalf of any Pledgor shall constitute effective and binding execution and delivery hereof by such Pledgor.

21. EACH PLEDGOR AND THE AGENT, ON BEHALF OF THE LENDERS, HEREBY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY A JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER, OR IN CONNECTION WITH THIS AGREEMENT OR ANY OTHER DOCUMENTS OR TRANSACTIONS RELATING THERETO.

22. All notices, requests, demands, directions and other communications (collectively, "notices") given to or made upon any party hereto under the provisions of this

Agreement shall be as set forth in Section 16.6 of the Agreement.

23. Each Pledgor acknowledges and agrees that, in addition to the other rights of the Agent hereunder and under the Agreement and Other Documents, because the Agent's remedies at law for failure of such Pledgor to comply with the provisions hereof relating to the Agent's rights (i) to inspect the books and records related to the pledged Collateral, (ii) to receive the various notifications such Pledgor is required to deliver hereunder, (iii) to obtain copies of agreements and documents as provided herein with respect to the pledged Collateral, (iv) to enforce the provisions hereof pursuant to which the such Pledgor has appointed the Agent its attorney-in-fact, and (v) to enforce the Agent's remedies hereunder, would be inadequate and that any such failure would not be adequately compensable in damages, such Pledgor agrees that each such provision hereof may be specifically enforced.

24. At any time after the initial execution of this Agreement, additional Persons may become parties to this Agreement as Pledgors and thereby acquire the duties and rights of being Pledgors hereunder by executing and delivering to the Agent a Guarantor Joinder or Borrower Joinder (as applicable) pursuant to the Agreement, and any necessary updates to the Schedules hereof. No notice of the addition of any Pledgor shall be required to be given to any pre-existing Pledgor, and each Pledgor hereby consents thereto.
