SHORT-FORM TRADEMARK SECURITY AGREEMENT

This SHORT-FORM TRADEMARK SECURITY AGREEMENT (this "Agreement") is made and dated as of March 16, 2022 by and between MODUSLINK CORPORATION, a Delaware corporation ("Grantor") and UMPQUA BANK (together with its successors and assigns, "Lender").

WHEREAS, Grantor has adopted, used, is using or intends to use, and is the owner of the trademarks and trademark applications listed in the attached Schedule of Trademarks and Trademark Applications, and the registrations and applications associated therewith;

WHEREAS, Grantor has contemporaneously with the execution of this Agreement entered into a Security and Pledge Agreement dated on or about the date hereof among Grantor, the other pledgors from time to time party thereto, and Lender (as amended, modified, supplemented, restated or replaced from time to time, the "Security Agreement"), in which Grantor has granted certain security interests in favor of Lender;

WHEREAS, pursuant to the Security Agreement, Grantor has agreed with Lender to execute this Agreement; and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby grants to Lender, to the extent provided in the Security Agreement (the terms and conditions of which are hereby incorporated herein), a security interest in all of its right, title and interest in, to and under all the trademarks, whether now owned or at any time hereafter acquired, of Grantor that are registered with, or for which applications for registration have been filed with, the United States Patent and Trademark Office, including the trademarks listed on the attached Schedule of Registered Trademarks, and all registrations and pending applications associated therewith (excluding any application for registration of a trademark filed on an intent-to-use basis solely to the extent that the grant of a security interest in any such trademark application would materially adversely affect the validity or enforceability of the resulting trademark registration or result in cancellation of such trademark application), as collateral security for the prompt and complete payment and performance when due of all of the Obligations (as defined in the Security Agreement). Notwithstanding the foregoing, in the event of any conflict between this Agreement and the Security Agreement, the Security Agreement shall control.
