thyssenkrupp Industrial Solutions AG (the **Seller** and together with its affiliates the **Seller Group**) and FLS Germany Holding GmbH (the **SPA-Purchaser**), a subsidiary of FLSmidth A/S (**FLS**), executed a Sale and Purchase Agreement dated 29 July 2021 regarding the sale and purchase of all shares in thyssenkrupp Mining Technologies GmbH (the **SPA**).

Under and pursuant to the SPA and under certain additional agreements entered into in connection with the SPA (together with the SPA, the **Sale Agreements**), and in each case, upon and subject to the terms, conditions, limitations and restrictions set forth in the relevant Sale Agreements, the Seller agreed to sell the mining activities of the thyssenkrupp group as further specified in the Sale Agreements (**Target Business**) comprising the products and registered intellectual property rights, each as set out in Schedule A attached hereto to the SPA-Purchaser (or, in relation to certain registered intellectual property rights, directly to FLS).

In the event of any conflict between this Joint Notice and any Sale Agreement, the terms of the relevant Sale Agreement shall prevail.
