The Lenders (as defined below) have extended credit to the Borrower (as defined in Credit Agreement (as defined below)) subject to the terms and conditions set forth in that certain First Lien Credit Agreement, dated as of May 28, 2021 (as amended, restated, amended and restated, supplemented or otherwise modified and in effect from time to time, the “Credit Agreement”), by and among, *inter alios*, Solesis Borrower, LLC, a Delaware limited liability company, as the Borrower, Solesis Guarantor, LLC, a Delaware limited liability company, as Holdings, the Lenders from time to time party thereto and JPM, in its capacities as an issuing bank, the swingline lender and as administrative agent and collateral agent for the Lenders.

Whereas, under the terms of the Security Agreement, the Lenders have granted to the Administrative Agent, its successors and assigns, for the ratable benefit of the Secured Parties, a continuing security interest in, among other property, certain intellectual property of the Grantors, and have agreed as a condition thereof to execute this Trademark Security Agreement for recording with the U.S. Patent and Trademark Office.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and consistent with the requirements set forth in Sections 4.01 and 5.12 of the Credit Agreement and Section 4.03(c) of the Security Agreement, the parties hereto agree as follows:

SECTION 1. *Terms.* Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement, or if not defined therein, in the Credit Agreement.

SECTION 2. *Grant of Security Interest.* As security for the prompt and complete payment in full of the Secured Obligations, the Grantor, pursuant to the Security Agreement, did and hereby does grant to the Administrative Agent, its successors and permitted assigns, on behalf of and for the ratable benefit of the Secured Parties, a continuing security interest in all of its right, title and interest in, to and under (a) the Trademarks set forth on Schedule A attached hereto, (b) all rights and privileges arising under applicable law with respect to such Grantor’s use of such Trademarks, (c) all extensions and renewals thereof and amendments thereto, (d) all income, fees, royalties, damages and payments now and hereafter due and/or payable with respect to any of the foregoing, including damages, claims and payments for past, present or future infringements thereof, (e) all rights to sue for past, present and future infringements or dilutions thereof, and (f) all other rights corresponding to any of the foregoing throughout the world (the “Trademark Collateral”); provided, that in no event shall the Trademark Collateral include, and the security interest shall not attach to, any Excluded Asset, including any “intent-to-use” application for the registration of

Delivery of an executed signature page to this Trademark Security Agreement by facsimile or electronic (including .pdf or .tif file) transmission shall be as effective as delivery of a manually signed counterpart of this Trademark Security Agreement.

SECTION 5. *Security Agreement.* The security interests granted to the Administrative Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Administrative Agent pursuant to the Security Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.
