## INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT (this "Agreement") is made this 30<sup>th</sup> day of December, 2022, between PACIFIC COAST BOLT, LLC, a Delaware limited liability company ("Grantor"), and REGIONS BANK, an Alabama banking corporation ("Lender").

WHEREAS, Grantor owns the Trademarks and Trademark Applications (collectively, the "Trademarks") listed on Schedule A attached hereto, as the same may be amended from time to time;

WHEREAS, Birmingham Fastener & Supply, Incorporated, an Alabama corporation and an affiliate of Grantor, and Lender have entered into that certain Fifth Amended and Restated Credit Agreement of even date hereof (as the same may hereafter be amended, restated, modified or supplemented from time to time, the "Credit Agreement");

WHEREAS, pursuant to the terms of the Security Agreement of even date hereof between Grantor, certain of its affiliates and Lender (the "Security Agreement"), Grantor has granted to Lender a security interest in all its personal property and assets, including, without limitation, the assets listed on Schedule A attached hereto, as collateral to secure the Obligations (as defined in the Security Agreement);

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the parties hereby agree as follows:

1. Grantor does hereby grant to Lender a security interest in the following property, wherever arising or located (the "IP Collateral"): all of Grantor's right, title and interest in and to the Trademarks now owned or at any time hereafter acquired by Grantor or in which Grantor now has or at any time in the future may acquire any right, title, interest or license to, including all proceeds and products of any and all of the foregoing. Notwithstanding anything contained in this Agreement or any other Credit Document (as defined in the Credit Agreement) to the contrary, "IP Collateral" shall not include any "intent to use" trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the registrability of such "intent to use" trademark applications and the validity or enforceability of such "intent to use" trademark registrations issuing from such application under applicable federal law.
2. Grantor does hereby further acknowledge and affirm that the rights and remedies of Lender with respect to its security interests in the IP Collateral made and granted herein are more fully set forth in the Credit Agreement and the Security Agreement, the terms and provisions of which are incorporated by reference herein, and include, without limitation, all rights and remedies of a secured party under the Uniform Commercial Code as adopted by the State of Alabama as in effect from time to time.

*[Signature page to follow]*

IN WITNESS WHEREOF, Grantor has caused this Agreement to be duly executed and delivered as of the date first above written.
