TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT AGREEMENT (“*Assignment*”), effective as of the 15th day of February, 2023 (the “*Effective Date*”), is made by and between ANTEC, INCORPORATED, a Virginia corporation (“*Assignor*”), and ASPEQ FINANCING LLC, a Delaware limited liability company (“*Assignee*”), sometimes referred to herein individually as a “*Party*” and collectively as the “*Parties*.” Capitalized terms not defined when first used in this Assignment are used herein with the meanings given to such terms in the Asset Purchase Agreement, of even date herewith, between Assignor and Assignee and certain other parties thereto (the “Purchase Agreement”).

WHEREAS, Assignor has adopted, used, is using and is the owner of the trademark applications and registrations for listed in the attached Exhibit A (the “*Trademarks*”); and

WHEREAS, pursuant to the terms of the Purchase Agreement, Assignor has agreed to sell, assign, transfer, convey and deliver to Assignee, free and clear of any Encumbrances, other than Permitted Encumbrances, among other assets, all of Assignor’s right, title and interest in and to the Trademarks and has agreed to execute and deliver this Assignment.

NOW THEREFORE, in consideration of the premises recited above, the Parties’ mutual undertakings, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

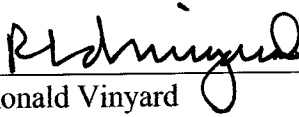

Assignor hereby irrevocably assigns, transfers, and conveys to Assignee, and its successors and assigns, all right, title, and interest in, to and under the Trademarks, together with any and all applications and registrations therefor, together with all goodwill symbolized by and associated with the Trademarks and of the business in connection with which the Trademarks were or are used, free and clear of all Encumbrances, other than Permitted Encumbrances, to have and to hold forever, along with any and all claims and causes of action (and the right to initiate suit and obtain damages and other forms of relief, both legal and equitable), arising from and/or relating to the infringement, misappropriation, or other violation of any right in any of the Trademarks, whether prior to or subsequent to the Effective Date, to the fullest extent permitted by law.

Assignor shall within a reasonable time , upon the request of Assignee and/or its successors and assigns, execute such other documents and/or instruments of assignment, transfer and conveyance as Assignee and/or its successors and assigns may reasonably request to permit the recordation of the assignment made by this instrument or of any other documents Assignee or any of its successors or assigns may reasonably deem necessary or advisable to effectuate the terms and intent of this Assignment, all without any cost to Assignor. Notwithstanding anything to the contrary herein, no provision of this Assignment shall in any way modify, replace, amend, change, rescind, waive or in any way affect the express provisions set forth in the Purchase Agreement, this Assignment being intended solely to effect the transfer of certain property sold and purchased pursuant to the Purchase Agreement in accordance with the Purchase Agreement.
