TRADEMARK AND DOMAIN NAME ASSIGNMENT

This Trademark and Domain Name Assignment (this "**Assignment**") is made and entered into as of February 22, 202³ (the "**Effective Date**") by and between Christian Hunt, an individual, with a business address at P.O. Box 3800, Oakton, Virginia 22125 ("**Assignor**"), and Aspen Medical Products, LLC, a California limited liability company, with a principal place of business at 6481 Oak Canyon, Irvine, California 92618 ("**Assignee**").

WHEREAS, Assignor is the sole and exclusive owner of the United States trademarks and the corresponding trademark registration, as applicable, and domain name on the attached Schedule A, and the goodwill appertaining thereto and incorporated herewith, and all other rights appurtenant, including without limitation common law rights, title and interest (collectively, the "**Assigned IP**");

WHEREAS, it is Assignor's intention to assign and transfer to Assignee all of Assignor's right, title, and interest in and to the Assigned IP to Assignee;

WHEREAS, it is Assignee's desire to purchase or acquire all of Assignor's right, title and interest in and to the Assigned IP, together with the goodwill of the business connected with the use of and symbolized by the Assigned IP; and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, transfers, and sets over to Assignee its entire right, title, and interest in and to the Assigned IP, together with the goodwill of the business symbolized in the Assigned IP, and all other corresponding rights that are or may be secured under the laws of the United States and any foreign country, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns, or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all income, royalties, damages, or payments due or payable as of the Effective Date or thereafter, including, without limitation, all claims for damages by reason of past, present, or future infringement or other

unauthorized use of the Assigned IP, with the right to sue for and collect the same for its own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives.

Assignor agrees to execute any further papers as may be necessary and proper to vest full title in and to the Assigned IP and other corresponding rights in the Assignee. Assignor hereby consents to the recordation of the registered mark identified in Schedule A of this Assignment with the United States Patent and Trademark Office. Assignor will assist Assignee as reasonably necessary to secure, perfect, maintain or evidence the rights hereby transferred. The individuals signing this document on behalf of corporate entities represent and declare that they are authorized to execute this document on behalf of such corporate entities.

IN WITNESS WHEREOF, Assignor and Assignee have caused this Assignment to be executed by their duly authorized representatives as of the Effective Date.
