TRADEMARK ASSIGNMENT

This trademark assignment (“Assignment”) is effective as of January 31, 2023 (the “Effective Date”), by and between Merative US L.P. of 100 Phoenix Drive, Ann Arbor, Michigan (“Assignor”), a Delaware limited partnership, and Premier Healthcare Solutions, Inc. a Delaware corporation with a place of business at 13034 Ballantyne Corporate Place, Charlotte, NC 28277 (“Assignee”).

WHEREAS, Assignor is the record owner of all right, title and interest in the registered trademark identified in Schedule A, as registered at the U.S. Patent & Trademark Office, and also owns the unregistered trademarks identified in Schedule A (all such registered and unregistered trademarks, the “Trademarks”);

WHEREAS, pursuant to an Asset Purchase Agreement by and between Assignor, Assignee, and other parties dated January 25, 2023 (the “Purchase Agreement”), Assignee purchased the Trademarks from Assignor; and

WHEREAS, Assignee wishes to confirm its acquisition of the Trademarks, all of the goodwill associated with the Trademarks, and the trademark registrations detailed in Schedule A.

Now, therefore, in exchange for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor confirms that it did assign and does hereby assign to Assignee, effective as of Effective Date, all right, title and interest in and to the Trademarks, along with the identified trademark registrations, and together with all derivations of the Trademarks and including all goodwill associated with the Trademarks.

This Assignment specifically includes, without limitation, (a) all statutory and common law trademark rights as may have been acquired by Assignor with respect to the Trademarks, (b) the right to collect for all past, present and future acts of infringement of same, along with any claims for damages and the proceeds thereof, including without limitation any license royalties and proceeds of infringement suits by reason of any past and future acts of infringement that have occurred or that may occur against the Trademarks, (c) the right to file any document to maintain the Trademarks and any associated registrations; the same to be held and enjoyed by Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made.

This Assignment may be executed in two or more counterparts, each of which will be deemed an original, but all of which together constitute one and the same instrument.

IN WITNESS WHEREOF, Assignor has duly executed and delivered this instrument as of the date written above.
