1. Assignor hereby irrevocably assigns, transfers, conveys, and delivers to Assignee, and Assignee hereby accepts, all of Assignor’s rights, titles, and interests, throughout the world, in and to the following (collectively, the “**Assigned Trademark Rights**”): (a) all Trademark Assets, together with all of the goodwill associated with the use of, and symbolized by, any and all of the Trademark Assets (and, further, with respect to each United States intent-to-use application for any mark (as listed on Schedule A hereto), the assignment, transfer, conveyance, and delivery hereunder of any such intent-to-use application includes or otherwise accompanies the assignment, transfer, conveyance, and delivery of at least that portion of Assignor’s business to which such mark pertains, which business is ongoing and existing); (b) all applications for registration which have been or may be filed in the United States, internationally or in any foreign country(ies), for or in connection with, or that otherwise claim or may claim priority to or the benefit of, any of the Trademark Assets, and all registrations issuing therefrom in the United States, internationally, and in any foreign country(ies), and all recordations, amendments, certificates of correction, extensions, and renewals thereof or therefor; (c) all rights to file, prosecute, receive, and secure, exclusively and directly in the name of Assignee, each of the Trademark Assets, registrations, applications for registration, recordations, amendments, certificates of correction, extensions, and renewals referenced in Sections 1(a) and 1(b) hereof, and to claim any benefits, priority rights, or other rights to which any of the foregoing are or may be entitled, in each case under the trademark laws of the United States, the trademark laws of any foreign country(ies), the Paris Convention for the Protection of Industrial Property, the Madrid Protocol, or any other international agreement, treaty, law or convention, or the domestic rules, laws, statutes, or regulations of any country(ies); and (d) all of Assignor’s other rights, titles, interests, privileges, and protections of any kind or nature whatsoever, that, in each case, have accrued, are accruing, or may accrue under any of the foregoing pursuant to any applicable law, rule, statute, regulation, convention, or treaty, and that, in each case, existed, exists, or may come into existence, anywhere in the world.
