WHEREAS, PeopleShare, LLC (hereinafter referred to as "Assignee"), a Delaware limited liability company having an address at 100 Springhouse Drive, Suite 200, Collegeville, Pennsylvania 19426, is desirous of acquiring the entire right, title, and interest in and to the Assigned Property;

NOW, THEREFORE, for and in consideration of the sum of Ten Dollars (\$10.00) and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by Assignor, effective on the date executed by Assignor below ("Effective Date"), the parties hereto agree as follows:

1. Assignor hereby assigns, sells, conveys and transfers to Assignee, its successors and assigns, Assignor's entire right, title, and interest in and to: (i) the Assigned Property set forth in Schedule "A"; (ii) any and all goodwill symbolized by and associated with the business conducted under the Assigned Property, if separable from Assignor's other business; (iii) any and all common law rights in and to the Assigned Property; and (iv) all rights to past, present and future claims of any kind (either in law or in equity) including, without limitation, the right to sue for all trademark-related causes of action (e.g., trademark infringement, dilution, cybersquatting, etc.) and to recover and retain any and all damages paid or received as a result of the litigation, settlement, and/or pursuit of such claims.

2. Assignor hereby agrees, at the request and expense of Assignee, to execute all lawful papers, make all lawful oaths, and to perform such other acts as Assignee and Assignee's successors and assigns may deem reasonably necessary to secure the ownership interest in and to the Assigned Property, for Assignee and its successors and assigns and/or to evidence the rights hereby transferred.

3. Assignor hereby represents and warrants that he is the sole lawful owner of all rights in and to the Assigned Property; that no assignment, mortgage, sale, license, pledge, encumbrance or alienation of the Assigned Property has been or will be made or entered into which would conflict with this Assignment; and that he has not executed, and will not execute, any other agreement(s) in conflict herewith.

4. Assignor represents and warrants that he has the full legal right and authority to execute and be bound by the terms of this Assignment, that he is legally authorized to do so, that no other party's consent is required to execute this Assignment, and that to the best of his knowledge his execution of this Assignment will not violate any right of any other party.

5. The individual who has executed this Agreement on behalf of Assignor expressly represents and warrants that he or she is authorized to sign on behalf of Assignor for purposes of binding Assignor to effectuate this Assignment to Assignee according to the terms set forth herein.

6. Assignor hereby irrevocably constitutes and appoints Assignee and any officer or agent thereof, with full power of substitution, as his true and lawful attorney-in-fact, with full irrevocable power and authority in Assignor's name to take any and all action and to execute thereafter any and all documents and instruments which Assignee deems necessary or desirable to accomplish the purposes of this Assignment. Assignor further grants Assignee and its duly authorized attorneys and agents the power to insert on this Assignment any further identification which may be necessary or prudent in order to comply with the rules of the United States Patent and Trademark Office, any state or foreign trademark office, or any other legal entity or body whatsoever, for recordation and enforcement of this Assignment.
