TRADEMARK ASSIGNMENT

This Trademark Assignment (this “**Trademark Assignment**”), dated February 22, 2023, is entered into by and between DEI Holdings, Inc., a Washington corporation (the “**Assignor**”), and American Expediting Logistics LLC, a Pennsylvania limited liability company (the “**Assignee**”).

RECITALS

WHEREAS, the Assignor (under its prior name, Delivery Express, Inc.) and the Assignee have entered into an Asset Purchase Agreement dated December 20, 2022 (the “**Asset Purchase Agreement**”), pursuant to which the Assignee is acquiring various assets of Assignor, including the trademarks set forth in the attached Schedule A (the “**Purchased Marks**”);

WHEREAS, prior to the closing of the Asset Purchase Agreement, the Assignor was the owner of all right, title, and interest in the trademarks set forth in the Purchased Marks;

WHEREAS, the Assignor and Assignee by executing this Trademark Agreement memorialize the Assignee’s acquisition of all of the Assignor’s right, title, and interest in the Purchased Marks;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which the parties hereby acknowledge, the parties, intending to be legally bound, hereto agree as follows:

The Assignor hereby assigns, transfers, and conveys to the Assignee the Assignor’s entire and undivided right, title and interest, whether now existing or hereafter acquired, in and to the Purchased Marks, together with all the associated goodwill of its business symbolized by the Purchased Marks, and all applications and registrations of the Purchased Marks, as well as all rights to injunctive relief, damages and profits, due or accrued, arising out of all causes of action, past, present and future, pertaining to the Purchased Marks, including infringement of the Purchased Marks, or other violations, or injury to the said goodwill, and the right to sue, either at law or in equity, and recover the same in the Assignee’s own name.

The Assignor agrees to do all acts and take such further action, including the execution and acknowledgment of such additional documents as the Assignee may reasonably request, to carry out and fulfill the purposes and intent of this Trademark Assignment.

The Assignor hereby authorizes the Assignee to record this Trademark Assignment with the United States Patent and Trademark Office to transfer all registrations and applications for the Purchased Marks including the associated goodwill into the name of Assignee.

Nothing in this Trademark Agreement, express or implied, is intended to or shall be construed to supersede, modify, replace, amend, rescind, waive, expand or limit in any way the rights of the parties under, and the terms of, the Asset Purchase Agreement.

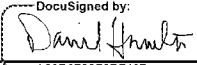

This Trademark Assignment shall be binding upon and inure to the benefit of the parties hereto, and their permitted successors in interest and assigns.

This Trademark Assignment may be executed in counterparts, each of which shall be deemed to be an original, and all of which together shall constitute one and the same instrument.

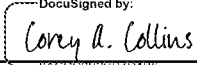

The "Recitals" as set forth above and the attached Schedule A are incorporated herein by reference into the terms of this Trademark Assignment.

IN WITNESS WHEREOF, the Assignor and the Assignee have caused this Trademark Assignment to be duly executed as of the date first above written.
