NOTICE OF GRANT OF SECURITY INTEREST
IN UNITED STATES TRADEMARKS

FOR GOOD AND VALUABLE CONSIDERATION, receipt and sufficiency of which are hereby acknowledged, Cascade Maverik Lacrosse, LLC (the "Grantor") with principal offices at 100 Domain Drive, Exeter, NH 03833, hereby pledges and grants to Bank of America, N.A., as Collateral Agent (the "Grantee"), for the benefit of the Secured Creditors (as such term is defined in the Security Agreement referred to below), a continuing security interest in all of the right, title and interest of such Grantor in, to and under (i) (a) all trademarks, service marks, certification marks, domain names, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, slogans, other source or business identifiers, designs and general intangibles of like nature, all registrations and recordings thereof, and all registrations and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office, and all extensions or renewals thereof, including without limitation any of the foregoing set forth in Schedule A hereto, (b) all goodwill associated therewith or symbolized thereby, (c) all other assets, rights and interests that uniquely reflect or embody such goodwill, (d) rights and privileges arising under applicable law with respect to the use of any of the foregoing, (e) income, fees, royalties, damages and payments now and hereafter due and/or payable thereunder and with respect thereto, including damages, claims and payments for past, present or future infringements, dilutions or other violations thereof, and all other Proceeds (as such term is defined in the Security Agreement referred to below), (f) rights to sue for past, present and future infringements, dilutions or other violations thereof, and (g) rights corresponding thereto throughout the world, (collectively, the "Trademark Collateral"); provided that the Trademark Collateral shall not include any intent-to-use trademark application prior to the filing of a "Statement of Use" or "Amendment to Allege Use" with respect thereto, to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability, or result in the voiding, of such intent-to-use trademark application or any registration that issues therefrom under applicable federal law.

THIS GRANT (this "Grant") is made to secure the prompt and complete payment and performance when due of all the Obligations of the Grantor, as such term is defined in the U.S. Security Agreement among the Grantor, the other Grantors from time to time party thereto and the Grantee, dated as of November 7, 2019 (as amended, modified, restated and/or supplemented from time to time, the "Security Agreement"). Upon the occurrence of the Termination Date (as defined in the Security Agreement), the Grantee shall execute, acknowledge, and deliver to the Grantor an instrument in writing releasing the security interest in the Trademark Collateral acquired under this Grant.

This Grant has been granted in conjunction with the security interest granted to the Grantee under the Security Agreement and is expressly subject to the terms and conditions thereof. The rights and remedies of the Grantee with respect to the security interest granted herein are as set forth in the Security Agreement, all terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event that any provisions of this Grant are deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern.

This Grant is subject to the terms and conditions set forth in the Permitted Split Lien Intercreditor Agreement (as defined in the Security Agreement), if any, in all respects and, in the event of any conflict between the terms of any Permitted Split Lien Intercreditor Agreement and this Grant, the terms of such Permitted Split Lien Intercreditor Agreement shall govern.
