## **TRADEMARK ASSIGNMENT AGREEMENT**

This trademark assignment agreement is effective on 9 March 2023, and is between SnapSports, L.L.C., a Utah Limited Liability Company, ("Assignor") and Snap Lock Industries, Inc., a Utah Corporation, ("Assignee").

Assignor is the owner of certain trademark rights, including but not limited to trademark registrations as set forth in Schedule A, as well as all common law trademark rights associated with the marks covered by the trademark registrations (collectively referred to as the "Marks").

Assignor wants to assign and Assignee wants to obtain all of Assignor's right, title and interest in the Marks along with any and all goodwill associated with the marks.

The parties therefore agree as follows:

For good and valuable consideration, acknowledged by both parties, Assignor hereby assigns to Assignee all of Assignor's right, title and interest in the Marks as they exist anywhere in the world and as may be created or acquired at any date in the future, along with any goodwill associated with the Marks. This assignment includes without limitation all applications and registrations for the Marks, all priority rights or claims based on International Conventions, all rights to proceeds of the Marks, including income, royalties, damages, profits, and payments now or hereafter payable, all rights of action of Assignor, and the right to take proceedings and to seek damages and all other available remedies, against third parties for past, present, or future infringement of the Marks.

Assignor shall execute and deliver any other documents and perform any other reasonable acts Assignee may request, that may be necessary and appropriate to effectuate the provisions of this agreement and establish Assignee's rights in the Marks.

At the request and expense of Assignee, Assignor shall provide all reasonable assistance which Assignee considers necessary in connection with bringing or defending any proceedings in relation to the Marks.

Each party has signed this agreement effective on the date stated in the introductory clause.
