INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Intellectual Property Security Agreement (as amended, restated, amended and restated, supplemented, replaced or otherwise modified from time to time, "Agreement") is made as of this 4th day of November, 2022, by the Persons listed on the signature pages hereof (collectively and individually, "Company"), and delivered to STAR MOUNTAIN STRATEGIC CREDIT INCOME FUND IV, LP, having a mailing address of c/o Star Mountain Capital, LLC, 2 Grand Central Tower, 140 East 45th Street, 37th Floor, New York, New York 10017, Attention: David DiPaolo, as administrative agent ("Administrative Agent") for the Lenders (as defined in the Credit Agreement referred to below).

BACKGROUND

A. This Agreement is being executed and delivered to Administrative Agent as additional security for the Obligations under that certain Credit and Guaranty Agreement, dated as of even date herewith (as amended, restated, amended and restated, supplemented, replaced or otherwise modified from time to time, the "Credit Agreement"), among NW Entertainment, LLC, a Delaware limited liability company ("NW Entertainment"), The Nacelle Company, LLC, a California limited liability company ("Nacelle"), Project XAV, LLC, a California limited liability company ("XAV"), New Wave Finishing, LLC, a California limited liability company ("NW Finishing"; and together with NW Entertainment, Nacelle, XAV, and each other Person joined thereto as a borrower from time to time, collectively, the "Borrowers", and each a "Borrower"), NW Entertainment, Inc., a California corporation, dba New Wave Entertainment ("Holdings"; and together with each other Person joined thereto as a guarantor from time to time, collectively, the "Guarantors", and each a "Guarantor"), East West Bank, a California state bank ("Revolver Bank"), as revolving agent for the Revolving Lenders (as defined below) (Revolver Bank, in such capacity, the "Revolving Agent"), and Administrative Agent and each of the financial institutions identified as "Lenders" in the Credit Agreement. Capitalized terms not defined herein shall have the meanings given to such terms in the Credit Agreement.

B. Each Company has filed applications for and/or obtained registrations of the patents, if any (collectively, the "Patents"); trademarks and service marks, if any (collectively, "Trademarks"); and copyrights, if any, which have been United States federally registered (collectively, the "Copyrights"); listed on **Schedule A** attached hereto and made part hereof (all such Patents, Trademarks and Copyrights hereinafter referred to collectively as the "Assets").

NOW THEREFORE, with the foregoing Background hereinafter deemed incorporated by reference and made a part hereof, and in consideration of the premises and mutual promises herein contained, the parties hereto, intending to be legally bound hereby, covenant and agree as follows:

1. In consideration of and pursuant to the terms of the Credit Agreement and all other Financing Documents, and for other good, valuable and sufficient consideration, the receipt of which is hereby acknowledged, and to secure the Obligations, each Company grants to Administrative Agent, for the benefit of Lenders, a lien and security interest in all of its present and future right, title and interest in and to the Assets and the goodwill associated therewith, and the registration thereof and the right (but not the obligation) to sue for past, present and future infringements, and the proceeds thereof, including, without limitation, license royalties and proceeds of infringement suits.

2. Each Company represents, warrants and covenants that:

- (a) The Assets are subsisting and have not been adjudged invalid or unenforceable;
- (b) To the best of each Company's knowledge, without investigation, each of the Assets for which a registration has been secured is valid and enforceable;
- (c) To the best of each Company's knowledge, without investigation, each Company listed on **Schedule A** as the owner of each Asset (the "**Applicable Company**"): (i) is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to such Assets, (ii) each of the Assets is free and clear of any liens, claims, charges and encumbrances, including, without limitation, pledges, assignments, licenses and covenants by the Applicable Company not to sue third persons, except for Permitted Liens, and (iii) each Applicable Company has the power to transfer the Assets with respect to which it has purported to grant a security interest hereunder, free and clear of all Liens or encumbrances of any kind except for Permitted Liens;
- (d) Each Company has the requisite corporate or limited liability company power and authority to enter into this Agreement and perform its terms, including the authority to grant a security interest hereunder;
- (e) The Assets listed on **Schedule A** constitute all of the United States federally registered Assets, and all applications for any of the foregoing, now owned by either Company which are necessary and material for the conduct of their business. If, before all Obligations shall have been paid and satisfied in full and the Credit Agreement shall have been terminated, any Company shall obtain rights as a registrant for any new registered patent, trademark or copyright or application therefor, the provisions of this Agreement shall automatically apply thereto and such patent, trademark or copyright or application therefor shall be deemed part of the Assets. Each Company shall give Administrative Agent prompt written notice thereof along with an amended **Schedule A**.

3. Each Company shall: (i) perform all of its obligations under or in connection with the Assets in accordance with customary business practices, (ii) not alter or permit the alteration of any material portion (individually or collectively) of the Assets, (iii) not do or permit any act which would impair any material portion of the Assets, (iv) except as expressly permitted under the Credit Agreement, not sell, convey, assign or otherwise dispose of, or grant any option to, any of the Assets, and (v) maintain records with respect to the Assets in accordance with the Credit Agreement.

4. Except as expressly permitted by the terms of the Credit Agreement, each Company shall not enter into any agreement, or take any other action, that would restrict the transferability of any of the Assets or otherwise impair or conflict with its obligations or the rights of the Administrative Agent or Lenders hereunder.

5. So long as an Event of Default has not occurred and is continuing under the Credit Agreement, each Company shall continue to have the exclusive right to use, license, sell or otherwise deal with the Assets subject to the terms of the Credit Agreement, and Administrative Agent and Lenders shall have no right to use the Assets or issue any exclusive or non-exclusive license with respect thereto, or assign, pledge or otherwise transfer title in the Assets to anyone else.

6. If and while an Event of Default exists and is continuing under the Credit Agreement, each Company hereby covenants and agrees that Administrative Agent, as the holder of a security interest under the Uniform Commercial Code as now or hereafter in effect in the State of New York, may

take such action permitted under the Financing Documents or permitted by law, in its exclusive discretion, to foreclose upon the Assets covered hereby. In such event, each Company hereby authorizes and empowers Administrative Agent, its successors and assigns, and any officer or agent of Administrative Agent as Administrative Agent may select, in its exclusive discretion, as such Company's true and lawful attorney-in-fact, with the power to endorse such Company's name on all applications, assignments, documents, papers and instruments necessary for Administrative Agent to use the Assets or to grant or issue any exclusive or non-exclusive license under the Assets to anyone else, or necessary for Administrative Agent to assign, pledge, convey or otherwise transfer title in or dispose of the Assets to anyone else including, without limitation, the power to execute an assignment in the form attached hereto as **Exhibit 1**. Each Company hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof and in accordance with the terms hereof, except for the gross negligence or willful misconduct of such attorney. This power of attorney is coupled with an interest and with full power of substitution and shall be irrevocable for the life of this Agreement and the Financing Documents, and until all Obligations are indefeasibly paid and satisfied in full and the Credit Agreement is terminated.

7. This Agreement shall be subject to the terms, provisions, and conditions set forth in the Credit Agreement and may not be modified without the written consent of the parties hereto.

8. All rights and remedies herein granted to Administrative Agent and Lenders shall be in addition to any rights and remedies granted under the Credit Agreement and the Financing Documents. In the event of an inconsistency between this Agreement and the Credit Agreement, the language of the Credit Agreement shall control.

9. Upon Borrowers' performance of all of the obligations under the Credit Agreement and the Financing Documents and full and unconditional satisfaction of all Obligations (other than the Inchoate Obligations), Administrative Agent shall execute and deliver to each Company all documents reasonably necessary to terminate Administrative Agent's security interest in the Assets.

10. Any and all reasonable fees, costs and expenses incurred by Administrative Agent on its behalf and on behalf of the Lenders, shall be borne and paid by each Company in accordance with Section 9.1 of the Credit Agreement.

11. The Applicable Company shall have the right to bring suit in its own name to enforce the Assets, in which event Administrative Agent may, if such Applicable Company reasonably deems it necessary, be joined as a nominal party to such suit if Administrative Agent shall have been satisfied, in its sole discretion, that Administrative Agent is not thereby incurring any risk of liability because of such joinder. Each Company shall promptly, upon demand, reimburse and indemnify Administrative Agent for all damages, reasonable costs and expenses, including reasonable attorneys' fees, incurred by Administrative Agent in the fulfillment of the provisions of this paragraph in accordance with Section 9.1 of the Credit Agreement.

12. During the existence of an Event of Default under the Credit Agreement, Administrative Agent may, without any obligation to do so, complete any obligation of each Company hereunder, in such Company's name or in Administrative Agent's name, but at such Company's expense, and each such Company hereby agrees to reimburse Administrative Agent in full for all costs and expenses in accordance with Section 9.1 of the Credit Agreement.

13. No course of dealing between any or all Credit Parties and Administrative Agent or any

Lender nor any failure to exercise, nor any delay in exercising, on the part of Administrative Agent or any Lender, any right, power or privilege hereunder, shall operate as a waiver thereof, and all of Administrative Agent's and Lenders' rights and remedies with respect to the Assets, whether established hereby or by the Financing Documents, or by any other future agreements between any or all Borrowers and Administrative Agent or any Lender or by law, shall be cumulative and may be exercised singularly or concurrently.

14. The provisions of this Agreement are severable and the invalidity or unenforceability of any provision herein shall not affect the remaining provisions which shall continue unimpaired and in full force and effect.

15. This Agreement shall inure to the benefit of and be binding upon the respective successors and permitted assigns of the parties.

16. This Agreement shall be governed by and construed in conformity with the laws of the State of New York without regard to its otherwise applicable principles of conflicts of laws.

17. **The provisions of Sections 12.1, 12.2, 12.3, 12.4, 12.5, 12.7, 12.10, 12.11, 12.13, 12.15 and 12.18 of the Credit Agreement are incorporated herein by reference and shall apply to this Agreement and the parties hereto *mutatis mutandis*.**

18. This Agreement may be executed in any number of and by different parties hereto on separate counterparts, all of which, when so executed, shall be deemed an original, but all such counterparts shall constitute one and the same agreement. Any signature delivered by a party by facsimile or other method of electronic transmission (including email transmission of a PDF image) shall be deemed to be an original signature hereto;
