GRANT OF A SECURITY INTEREST – TRADEMARKS

March 17, 2023

WHEREAS, the grantors listed on the signature pages to the Pledge and Security Agreement (as defined below) (each, a “Grantor” and, collectively, the “Grantors”) have adopted, used and are using, and hold all right, title and interest in and to, the trademarks and service marks listed on the attached Schedule A, which trademarks and service marks are registered or applied for in the United States Patent and Trademark Office and/or an applicable foreign counterpart thereto (the “Trademarks”);

WHEREAS, the Grantors have entered into a Pledge and Security Agreement, dated as of March 17, 2023 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Pledge and Security Agreement”), in favor of U.S. BANK TRUST COMPANY, NATIONAL ASSOCIATION, as the Collateral Agent for the Secured Parties (as defined in the Pledge and Security Agreement) (in such capacity, together with its successors and permitted assigns, if any, the “Grantee”); and

WHEREAS, pursuant to the Pledge and Security Agreement, the Grantors have granted to the Grantee, for the benefit of the Secured Parties, a continuing security interest in and lien on all right, title and interest of the Grantors in, to and under the Trademarks, together with, among other things, the goodwill of the business symbolized by the Trademarks and the applications and registrations thereof, and all proceeds thereof, including, without limitation, any and all causes of action which may exist by reason of infringement thereof and any and all damages arising from past, present and future violations thereof (the “Collateral”), to secure the payment, performance and observance of the Secured Obligations (as defined in the Pledge and Security Agreement) provided that no intent-to-use trademark application in the United States shall be deemed Collateral hereunder prior to the filing of a “Statement of Use” or “Amendment to Allege Use” with respect thereto, to the extent, if any, that, and solely during the period, if any, in which, the grant, attachment, or enforcement of a security interest therein would impair the validity or enforceability of such intent-to-use trademark application under applicable law.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantors do hereby (a) grant to the Grantee for the benefit of the Secured Parties, a continuing security interest in and lien on the Collateral to secure the prompt payment, performance and observance of the Secured Obligations and (b) authorize the Grantee to record this Grant of a Security Interest – Trademarks at the United States Patent and Trademark Office and all applicable foreign counterparts thereto.

The Grantors do hereby further acknowledge and affirm that the rights and remedies of the Grantee with respect to the Collateral are more fully set forth in the Pledge and Security Agreement, the terms and provisions of which are hereby incorporated herein *mutatis mutandis* by reference as if fully set forth herein.

THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, the undersigned have caused this Grant of a Security Interest
-- Trademarks to be duly executed by its officer thereunto duly authorized as of the date first set above.
